

NAVAL RESEARCH LABORATORY

ACCEPT THE CHALLENGE

Become a member of an elite research and development community involved in basic and applied scientific research and advanced technological development for tomorrow's Navy! Visit the Naval Research Laboratory's website: www.nrl.navy.mil to explore the broad areas of research conducted at NRL.

APPLY TODAY

The Navy's corporate experimental laboratory seeks professionals who are willing to accept the reward of challenging research positions. The main office of NRL is located in Washington, DC with key remote sites in Bay St. Louis, MS, and Monterey, CA. Other sites may include Key West, FL, Mobile, AL, and Albuquerque, NM.

Qualified candidates who possess a Bachelor's degree may be appointed to Scientific and Engineering (S&E) positions in fields such as Aerospace, Ceramics, Chemical, Computer, Electronics/Electrical, Materials, and Mechanical Engineering, Astronomy, Biology, Chemistry, Computer Science, Engineering Psychology, Geology, Geophysics, Materials Science, Mathematics, Metallurgy, Meteorology, Physical Science, Physics, and Oceanography.

Qualified veteran candidates may be appointed to positions in the fields mentioned above, OR to any technician position that is in direct support of research and development, i.e., Engineering Technician, Electronics Technician, Physical Science Technician, etc.

Candidates for S&E positions must possess a Bachelor's degree; meet minimum qualification requirements as described in OPM's operating manual, "Qualification Standards for General Schedule Positions": <http://www.opm.gov/policy-data-oversight/classification-qualifications/general-schedule-qualification-standards/#url=Group-Standards>, and meet any possible selective placement factor identified for the position to be filled. Individuals with a GPA of 3.0 or higher will receive first consideration.

Veteran candidates appointed to a technician position must meet minimum qualification requirements as described in OPM's operating manual, "Qualification Standards for General Schedule Positions": <http://www.opm.gov/policy-data-oversight/classification-qualifications/general-schedule-qualification-standards/#url=Group-Standards>, and meet any possible selective placement factor identified for the position to be filled.

Salary is set commensurate with selectee's background, experience, and market considerations.

Interested applicants should email their resume, transcripts and DD-214 (for veterans) (MEMBER 4 copy) to: SEDHB@hro1.nrl.navy.mil. All resumes and supporting documentation become the property of the Department of the Navy and will not be returned once submitted.

The Naval Research Laboratory is under an approved Personnel Demonstration Project. To learn more about our Demonstration Project, as well as our benefits package, applicants are encouraged to visit HRO's website at <http://hroffice.nrl.navy.mil/index.asp>
