SUBJECT: External Awards Program for US Army Garrison, Fort Hood

government and non-government awards outside the scope of the Fort Hood Garrison Policy Memorandum DHR-06, Civilian Awards Program

3. POLICY:

a. This policy supports the goal of the Total Army Awards Program to foster mission accomplishment by recognizing the excellence of our garrison directorates, support offices, Soldiers and civilian workforce. Numerous award opportunities are sponsored at the DOD, DA, IMCOM level as well as other government and non-government award sponsors. It is incumbent on the Garrison leadership to make maximum use of these opportunities by competing in every eligible award category.

b. Awards. Each Installation Support Directorate (ISD)/installation Support Office (ISO) is responsible for maintaining awareness of eligibility criteria and suspense dates for submission of award packets. The Directorate of Human Resources Workforce Development Division (DHR/WFD), is responsible for maintaining a master garrison external awards tracker database (see enclosure 1). All ISD/ISOs will ensure DHR/WFD is aware of all award submission suspense dates for their activity. In the event an ISO/ISO does not compete for an award, they will notify DHR/WRD of that fact with reason for non-submission

4. **PROPONENT.** The Fort Hood Garrison, Directorate of Human Resources is the proponent for this policy. Point of contact is the Workforce Development Office at (254) 553-3700.

5. **EXPIRATION.** This policy memorandum will remain in effect until superseded or rescinded.
