

## **Previous DDOE Sunset News Announcements**

### **14 MAR 2016**

#### **PHASE 1: Critical Action Dates**

**DDOE Mobility and Wireless AROs/AFOs/Approvers** – Mobility and Wireless customers who need to submit AMENDS, CANCELS, CHANGE or DISCONTINUES in DDOE must initiate those orders by COB 27 MAR 2016 and complete all approvals by 05 APR 2016. Any orders which do not complete final approval by COB 05 APR 2016 will be deleted.

#### **PHASE 1: Order Migration**

The DDOE and DDSF teams will migrate the orders in two sets. All orders already approved by 27 MAR 2016 will be migrated to DDSF between 28 MAR 16 and 03 APR 16. All in-flight orders approved between 28 MAR 16 and 05 APR 16 will be migrated between 06 APR and 10 APR 16. During these windows, users will NOT be able to initiate any new actions against these orders until they are available in DDSF. See the Order Migration Process Overview for additional details.

### **07 MAR 2016**

Wireless and Mobility customers who need to submit AMENDS, CANCELS, CHANGE or DISCONTINUES should do so and submit for approval by 15 MAR 2016 and complete approvals by 23 MAR 2016. Between 23 MAR 2016 and 30 MAR 2016, the TSR order data from DDOE will be prepared for migration to DDSF. On March 30, all Wireless and Mobility orders will be supported in DDSF, including any subsequent AMEND, CANCEL, CHANGE or DISCONTINUE of DDOE orders.

### **22 FEB 2016**

Phase 1: Mobility DMCC /DMUC and Wireless Devices & Services

Phase 2: COMSATCOM, DREN, DRSN, DSN, Equip Only

Phase 3: CBL, Dedicated, SIPRNet, NIPRNet, Backbone, Networx

Phase 4: EMSS, CSSS, VPN

DDOE Mobility and Wireless AROs/AFOs/Approvers – Reminder to complete all DDOE requirements through final approval by 23 MAR 16. Any Mobility or Wireless orders still in draft or pending approvals will be recalled and deleted after that date, and all subsequent orders will be processed in DDSF.
