Army Community Based Medical Homes

Advancing our commitment
to Soldiers and Families

The Surgeon General of the United States Army has listened to you, our Military Families. Access to care when you need it, Convenience in

time and location for you and your Family, consistent Coordination of the many aspects of your Family's care, high Quality, both in staff and services. These are a few of many attributes you consistently voice and value.

"The coupling of Community Based Care and the Patient Centered Medical Home is a transformative model that advances our commitment to Soldiers and Families".

- LTG Eric B. Schoomaker

Community Based Medical Homes are the result of your vision and your suggestions: Army Family Healthcare, the way it can be...the way it should be.
