Gold Star Families:

We have implemented a new program at Carl R. Darnall Army Medical Center (CRDAMC) to better serve you. This program, under the Customer Service Division, can oversee the planning and execution of your medical visits to CRDAMC. This service is a courtesy we are offering you in respect of your special loss. Should you choose to participate in this program, our Executive Medicine Liaison will coordinate your healthcare needs.

We are honored to be of service to you and your family members. On the back page is a business card so that you have contact information readily available for your convenience.

If there is anything we can do to assist you, please do not hesitate to contact the Executive Medicine Liaison using the information provided.

Sincerely,
