THIRD PARTY COLLECTION

Allowing Carl R. Darnall Army Medical Center to bill your third party insurance company for care you received will help you and your hospital.

The money collected will:

- * help meet your policy's deductible and you will not have any out of pocket expenses
- * not affect your policy premiums
- * enhance the quality of care at Darnall
- * allow Darnall to provide you with needed equipment and Health Care staff

WHAT IS YOUR RESPONSIBILITY? 3 SIMPLE STEPS

1. Please bring your insurance identification card each time you visit the hospital or clinics.
2. You will be asked to update the information every 12 months or when your coverage changes.
3. All patients will be asked to complete and sign a DD FORM 2569

MEDICAL CARE RECOVERY PROGRAM

If you are involved in an accident of any type and have liability insurance, please provide that information to your Health Care Provider at the time of treatment. Please inform the Health Care provider if your visit is related to a Worker's Compensation injury.

Promptly notify the Medical Care Recovery Office, at 288-8624 or 286-7648, of your accident and sign a Release of Information form. All accident-related information must be released through the Medical Care Recovery Office.

PL101-510

Public Law 101-510 (10 U.S. Code 1095) established the Third Party Collection Program. The program directs military hospitals to bill private insurance companies for the cost of care provided by the military facility. When a patient has commercial insurance, the government must bill the insurance company for outpatient and inpatient care. The government determines the cost of an outpatient clinic visit and bills this amount to the insurance company. The cost for inpatient stays are determined by Diagnosis Related Groups (DRG).

Your insurance company cannot charge you for the deductible or co-payment for care received through the military facility. The government will absorb these costs. Therefore, claims filed by the government for care you received may count toward meeting your deductible. This may result in a significant savings to you if you later seek civilian medical care.

The Medical Recovery Program provides the statutory and regulatory authority to recover the reasonable value of medical care rendered for injuries or illnesses provided at Government expense to active duty members, dependents (as defined at 10 U.S. Code 1072), and retirees (as defined at 10 U.S. Code 1074), under circumstances creating third party tort liability.

The Medical Affirmation Claims (MAC) Program (42 U.S. Code 2651-1653 and CFR 43), the Federal Claims Collection Act (31 U.S. Code 3711-3720 A and 4 CFR 101-105), and the Third Party Collection Program (10 U.S. Code 1095 and 32 CFR 220), apply to these claims.
