NAVAL INSPECTOR GENERAL
AUDITOR GENERAL, DEPARTMENT OF THE ARMY

SUBJECT: DoD Cybersecurity Weaknesses as Reported in Audit Reports Issued From
August 1, 2015, Through July 31, 2016 (Project No. D2016-D000RB-0139.000)

We plan to begin the subject project in May 2016. Our objective is to summarize cybersecurity weaknesses identified in audit reports and testimonies issued by the DoD audit community and the Government Accountability Office between August 1, 2015, and July 31, 2016. This summary report will support our annual response to the requirements in Public Law 113-283, Section 3555, "Federal Information Security Modernization Act of 2014," December 18, 2014. We will consider suggestions from management on additional or revised objectives.

Please provide us with a point of contact for the project within **10 days** of the date of this memorandum. The point of contact should be a Government employee—a GS-15, pay band equivalent, or the military equivalent. Send the contact's name, title, grade/pay band, phone number, and e-mail address to audrco@dodig.mil.
