MEMORANDUM FOR DISTRIBUTION

SUBJECT: Agreed-Upon Procedures for Reviewing the FY 2015 Civilian Payroll Withholding Data and Enrollment Information (Project No. D2015-D000FP-0138.000)

We plan to begin the attestation engagement in March 2015. The Office of Management and Budget Bulletin No. 14-02, "Audit Requirements for Federal Financial Statements," requires that we perform certain agreed-upon procedures on DoD payroll and personnel files. Our objective is to assist the Office of Personnel Management in assessing whether health, life insurance, and retirement benefits withholdings, contributions, and enrollment information submitted by the Defense Finance and Accounting Service (DFAS) for FY 2015 were reasonable and accurate. In addition, we will assist in identifying and correcting errors related to the processing and distribution of Combined Federal Campaign payroll deductions. DFAS currently processes payroll for DoD, the Department of Energy (DOE), Department of Health and Human Services (HHS), and Department of Veterans Affairs (VA). In addition to our review of DoD personnel files, we plan to review the VA personnel files for this year's engagement. DOE and HHS auditors will review the personnel files for their respective agencies. We will consider suggestions from management on additional or revised objectives.

Please provide us with a point of contact for the attestation engagement within **10 days** of the date of this memorandum. The point of contact should be a Government employee—a GS-15 or pay band equivalent or military equivalent. Send the contact's name, title, grade/pay band, phone number, and e-mail address to audfmr@dodig.mil.
