**Presidio to conduct
emergency-preparedness training July 29**

PRESIDIO OF MONTEREY, Calif. – The Presidio will conduct its annual full-scale exercise **Friday**, July 29. This exercise will take place in the vicinity of the DoD building, Ord Military Community in Seaside.

The scenario will focus on an emergency response to an active shooter within the DoD building on Ord Military Community. Emergency vehicles of participating partner agencies will be staging in the vicinity of Durham and Gigling roads in the early morning. Impact on normal operations is expected to be minimal.

The active shooter scenario is only a mock drill and will be confined to the interior of the DoD building.

A media center will be established at Ord Military Community for any interested media.

Although activities on the installation will remain open for normally scheduled operations, people are asked to maintain awareness when traveling to and from the Defense Manpower Data Center on Friday.
