### **Army Wellness Center-Fort Irwin, California Health Technician Position Announcement Interviewing for Full-time Fellowship**

**Position Responsibilities:** Reporting to the Army Wellness Center (AWC) Director/Project Lead, the Health Technician works as a team member in a dynamic group that delivers primary preventive services to a diverse population. The candidate will assist in providing six core programs (i.e., health assessment review, physical fitness, healthy nutrition, stress management, general wellness education, and tobacco education) as part of the standardized AWC program.

The Health Technician provides support to the operation with tasks such as coordination of community events, scheduling appointments, supply management, equipment maintenance, etc. This position provides support for the AWC Director/Project Lead and Health Educators.

This position is part of a fellowship program used to give participants experience and gain expertise in areas they may not have acquired elsewhere (e.g. Metabolic Testing, VO2 Max testing, Health Education, Behavior Change Theories, etc). The program is open to all qualified U.S. citizens without regard to race, sex, religion, color, age, physical or mental disability, national origin, or status as a Vietnam era or disabled veteran. Participants are appointed to facilities through the ORISE program and receive a monthly stipend. The U.S. Army Public Health Command provides oversight for the AWC program standardization, compliance, and quality assurance.

**Qualifications (Education, Experience, and Certifications):**

- Recently completed Bachelor's degree within five years of the desired starting date in Allied Health (i.e., health promotion, health education, nursing, exercise science, etc...)
- Maintains current AHA BLS certification
- Other applicants will be considered on a case-by-case basis

**Monthly Stipend:** Approximately \$3,600

**Skills/Experience required includes:**

- Above average organization skills, ability to plan, coordinate, and manage complex requests to that support the AWC and community.
- Excellent customer services skills, capable of taking direction for others, and ability to work well in a fast paced team environment
- Must work well in a highly efficient group and small team environment
- Knowledge of CHCS/AHLTA for patient scheduling
- Performs other duties as assigned
