

Are you a veteran of the U.S. Armed Forces?

We want to hear from you!

The RAND Corporation is conducting a study of military service members, veterans, and their families residing in Massachusetts. Please consider participating in a short survey to inform us of challenges, issues, and opportunities faced by our nation's service members and veterans.

Participants will receive a \$5 gift card to Dunkin' Donuts as a token of appreciation.

For more information and to participate, visit
