Als u een CCR-account had, kunt u uw account migreren zodat u toegang hebt tot de account en deze kunt beheren. U hoeft dit enkel te doen de eerste keer dat u toegang verkrijgt tot de account. Als u een bestaande account nog niet hebt gemigreerd of geen bestaande account hebt, is uw enige optie onder MY SAM Entiteit registreren/bijwerken de optie Nieuwe entiteit registreren (1). Als u een bestaande account hebt en nog steeds toegang hebt tot de e-mail gebruikt op de bestaande account, kunt u Ja (2) selecteren om uw account te laten migreren.

U moet het type Legacy System account selecteren dat u wenst te migreren en toegang hebben tot de geregistreerde e-mail voor deze account. Als u geen toegang hebt tot de geregistreerde e-mail, moet u FSD bellen op +866-606-8220 of hun website bezoeken op www.fsd.gov voor hulp om toegang te krijgen tot uw bestaande account.

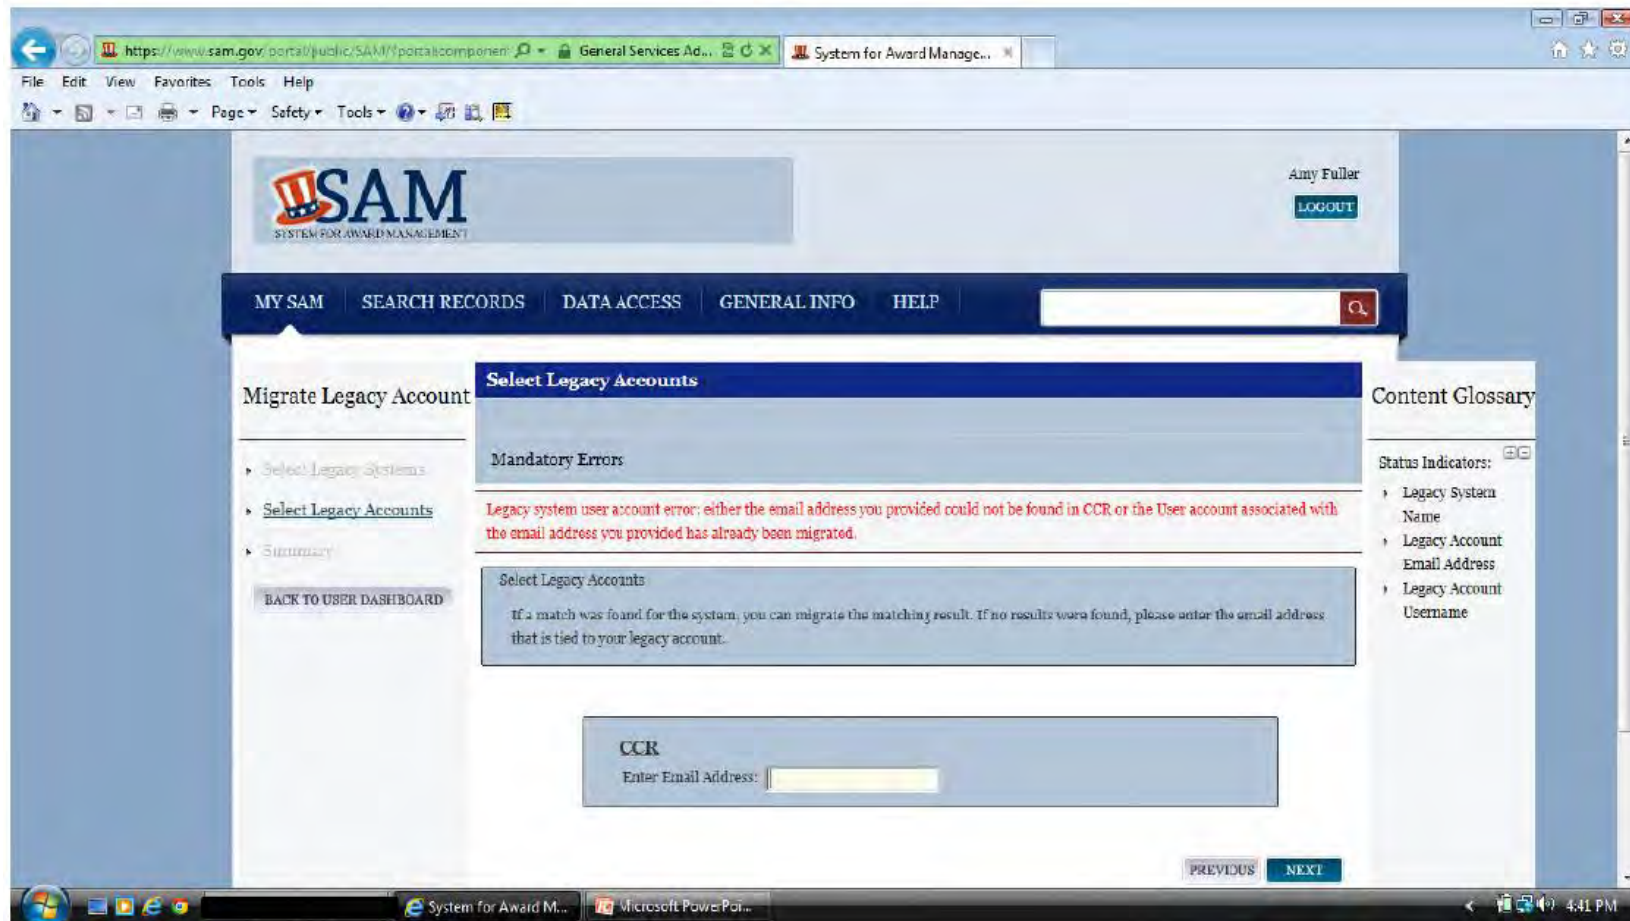

The screenshot shows the SAM (System for Award Management) website interface. The main heading is "Select Legacy Systems". Below this, there is a text box that reads: "Please select the legacy systems for which you would like to migrate an account. The system will check if a legacy account in the selected system has the same email address as the one identified on your SAM account. You must have access to the email address that is tied to your legacy account to complete this process." Below this text box, there are three radio button options: "Central Contractor Registration (CCR) / CCE Tools", "Federal Agency Registration (FedReg)", and "Excluded Parties List System (EPLS)". A red arrow points from the text "Selecteer type entiteit dat u wenst te migreren" to the first option. At the bottom of the page, there is a "NEXT" button. The browser address bar shows "https://www.sam.gov/portal/public/SAM/portalcomponent".

Voer het e-mailadres in van de gebruikersaccount op de CCR-account.

Als het door u ingevoerde e-mailadres niet bestond in de Legacy System account of iemand de account reeds heeft gemigreerd, krijgt u deze fout te zien en moet u FSD contacteren voor verdere hulp.

De migratie van de account is geslaagd wanneer u inlogt bij SAM en de opties ziet voor Voltooides registraties, Onvoltooides registraties, Inactieve registraties en Nieuwe entiteit registreren onder het tabblad Entiteit registreren/bijwerken. Actieve registraties en deze in de status Verzonden verschijnen onder Voltooides registraties. De registraties die werden bijgewerkt maar nog niet verzonden zijn, verschijnen als een Werk in uitvoering of Concept onder Onvoltooides registraties en alle verstreken registraties zullen zich onder Inactieve registraties bevinden.

Wanneer u het toepasselijke tabblad selecteert, ziet u de naam van uw entiteit in het vak Entiteitlijst. Klik op de naam van de entiteit en de details verschijnen in het vak Registratiedetails rechts.

If you disagree with any of the pre-filled information, you must return to Assertions and change your values there. The "Edit" button will return you to the correct location to make these changes.
