

Equal Employment Opportunity Office Mission Statement

To process, in accordance with Title VII and all applicable Equal Employment Opportunity (EEO) regulatory guidelines, discrimination complaints filed by Army Signal Activity, US Army Garrison-Miami and Headquarters, U.S. Southern Command current and former civilian employees and applicants for civilian employment with these agencies.

To prevent, to the greatest extent possible, employment discrimination based in sex, race, color, national origin, age, disability, religion, reprisal or physical/mental disability, via training of staff on equal employment opportunity matters, management of Special Emphasis Programs and oversight of the agency's Management Directive 715 Report.
