CREATE USER ACCOUNT

Your CCR username will not work in SAM. You will need a new SAM User Account to register or update your entity records. You will also need to create a SAM User Account if you are a government official and need to create Exclusions or search for FOUO information.

Create User Account

REGISTER/UPDATE ENTITY

You can register your Entity (business, individual, or government agency) to do business with the Federal Government. If you are interested in registering or updating your Entity, you must first create a user account.

Register/Update Entity

SEARCH RECORDS

All records from CCR/FedReg, ORCA, and EPLS, active or expired, were moved to SAM. You can search these records and filter your results. If you are a government user logged in with your SAM user account, you will automatically have access to FOUO information.

Q

WHAT IS SAM?
 The **System for Award Management (SAM)** is a **Federal Government owned and operated** free web site that consolidates the capabilities in CCR/FedReg, ORCA, and EPLS. Future phases of SAM will add the capabilities of other systems used in Federal procurement and awards processes.

NEWS AND ANNOUNCEMENTS

We have been experiencing an intermittent issue with the search functionality. If you receive an error, please try your search again. Our team is working to resolve the search issue and we thank you for your patience in the interim.

FORMER CCR REGISTRANTS

If you had an active record in CCR, you have an active record in SAM. You do not need to do anything in SAM at this time, unless a change in your business circumstances requires updates to your Entity record(s) in order for you to be paid or to receive an award or you need to renew your Entity(s) prior to its expiration. SAM will send notifications to the registered user via email 60, 30, and 15 days prior to expiration of the Entity. To update or renew your Entity records(s) in SAM you will need to create a SAM User Account and link it to your migrated Entity records. You do not need a user account to search for registered entities in SAM by typing the DUNS number or business name into the search box.

Welcome,

Would you like to migrate a legacy system account?

Welcome to SAM!

Notice for all registered users:

The 2012 North American Industry Classification Standards (NAICS codes) are now active. As part of this change, the Small Business Administration's size standards have also been updated.

Impact to you:

1. The NAICS you selected in the Assertions section of your registration will not be affected and no action is needed at this time. However, the next time you update your record, you will be required to update the NAICS to ensure that they are in accordance with the 2012 list.
2. The NAICS lists to which you certified in your representations and certifications will be updated as follows:

If the description of the NAICS has been changed, you will now see the 2012 version of the description in the table. If the size standard itself has been changed, and this affects the "Yes" or "No" answer (Small or Other Than Small) on your NAICS tables at 52.219-1 and 52.212-3, SAM will place an exclamation point (!) next to the "Yes" or "No" answer to show that it should be reviewed. The next time you update your reps and certs the answers will be displayed as per the 2012 standards, so you can certify to those at that time, and the exclamation points will be removed.

The page you are on now is your "My SAM" page. This is the first page that you will see when you login. From here you can access the functionality that you need to do your job.

If you had an account in CCR, EPLS, or FedReg, you should first migrate your permissions from your old account to your new SAM account. Click the "YES" button above to begin the process. Please note that all entity registrations (such as your CCR and ORCA registration) and records have already been migrated from the legacy systems to SAM.

Along the left side of the page are your navigation links. These links give you access to different parts of SAM. As you gain permissions in SAM, new ones will appear. These links are grouped by category.

Click on a category to see the related links.

data about the types of goods and services the entity provides, the entity size, optional Electronic Data Interchange (EDI), and disaster relief data.

- **Representations and Certifications** - Documents an entity's representations and certifications related to their small business status, responses to commonly used Federal Acquisition Regulation (FAR) and Defense Federal Acquisition Regulation Supplement (DFARS) provisions/clauses, and Architect-Engineer Responses (SF330 Part II).
- **Points of Contact (POC)** - The entity will be asked to provide contact information for any mandatory POC based on the information they provided during the registration process. POC types include, but are not limited to, accounts receivable, electronic business, and government business. POC information is mandatory for all registration types.

Before you start, please be sure you have gathered the following information:

- Your Data Universal Numbering System (DUNS) Number from Dun and Bradstreet and the name and address associated with that DUNS
- Your Taxpayer Identification Number and the name associated with that TIN (from your W-2)
- Your Contractor and Government Entity (CAGE) Code, if you already have one (if you don't, one will be assigned to you during registration)
- Your Electronic Funds Transfer information such as your ABA Routing Number and your account number

You will be unable to submit your registration online unless all the mandatory information is provided.

*** Note:** An entity within the SAM system includes prime contractors, organizations or individuals applying for assistance awards, those receiving loans, sole proprietors, corporations, partnerships, and any Federal government agencies desiring to do business with the government.

Entity Administrators and/or Entity Registration Representatives are responsible for ensuring the accuracy of an entity registration in SAM. An entity registration must be renewed every 365 days in order to remain active and will expire if it is not updated in a timely manner. An expired registration may affect the ability to do business with the Federal government.

Below this is a navigation menu with options: MY SAM, SEARCH RECORDS, DATA ACCESS, GENERAL INFO, and HELP. The main content area is titled 'Register Entity' and 'Determine Purpose of Registration'. On the left, a sidebar lists various registration steps, with 'Determine Purpose' selected. The main form area contains several questions: 'What type of entity are you?', 'Do you wish to bid on contracts?', 'Do you want to be eligible for grants and other federal assistance?', and 'Do you want to perform Intragovernmental Transactions (IGT)?'. A dropdown menu is open for the first question, showing options: 'Business or Organization', 'US Federal Government', 'US State Government', 'US Local Government', 'Tribal Government', and 'Foreign Government'. Red arrows point from the 'Business or Organization' option to the 'Yes' text and from the 'NEXT' button to the right. A text box on the right contains the instruction: 'Sleccione "Business or Organization" luego en el siguiente punto seleccione "Yes" lo que nos dice que quiere participar en contratos. Luego pulse "Next" para continuar.' The footer contains version information, a disclaimer, and logos for GSA, USA.gov, and the Department of Defense.

The screenshot shows the SAM (System for Award Management) website interface. At the top, there are browser tabs and a search bar. The main header includes the SAM logo and a 'LOGOUT' button. Below the header is a navigation menu with options: MY SAM, SEARCH RECORDS, DATA ACCESS, GENERAL INFO, and HELP. A search bar is also present in the navigation area.

The main content area is divided into three sections:

- Register Entity:** A sidebar menu with options: Registration Overview, Purpose of Registration (selected), Core Data, Assertions, Representations and Certifications, Points of Contact, and Submit Certification. Below this menu is a 'BACK TO USER DASHBOARD' button.
- Confirm Purpose:** The main content area. It features a 'Page Description' box stating: "Based on the answers provided on the previous page, SAM has determined your purpose for registering. If you need to make changes, please go back to the previous page. Use the Next button to continue with the Entity Registration process." Below this, it lists 'Purpose of Registration' and 'All Awards' sections. Under 'All Awards', there is a list of required sections: 1. Core Data, 2. Assertions, 3. Representations & Certifications, and 4. Points of Contact. At the bottom of this section, there are 'CANCEL' and 'NEXT' buttons. A red arrow points to the 'NEXT' button, which is circled in red. A red text annotation reads: "Pulse 'Next' para continuar con el registro." (Press 'Next' to continue with the registration).
