## Naval Station Norfolk Conducts Citadel Shield Drill

Norfolk, VA – As part of the Exercise Solid Curtain-Citadel Shield 2015 (SC-CS15), Naval Station Norfolk will conduct multiple Citadel Shield force protection drills Feb. 2-6. These drills are stand-alone tactical level events and are not linked to the overarching CONUS-wide Exercise Solid Curtain scenario which will be held the week of Feb. 9-13.

Exercise SC-CS15 is designed to enhance the training and readiness of Naval Security Forces and is not in response to any specific threat, but regularly scheduled.

Measures have been taken to minimize disruptions to normal base operations, but there may be times when the exercise causes increased traffic around bases or delays in base access. Area residents may also see increased security activity associated with the exercise.

For more information about Exercise SC-CS15, contact Naval Station Norfolk Public Affairs Office at (757) 322-2337.
