

DCoE Outreach Center

866-966-1020

Resources@DCoEOutreach.org

What we do:

- Provide an authoritative source of information and resources on psychological health (PH) & traumatic brain injury (TBI) issues
- Help service members, veterans, and their families by connecting them with the resources they need to promote their resilience, recovery, and reintegration
- Compile in-depth information and tools related to a PH or TBI inquiry
- Assist service members, veterans, families, leaders, healthcare providers navigate the system of care
- Respond to information requests about the DCoE
- Support the Real Warriors Campaign

Who we serve:

- Service Members
- Veterans
- Families
- Military Leaders
- Clinicians
- Researchers
- Educators
- Support personnel
- Chaplains

Benefits of our Center:

- Specializes in providing in-depth information and resources related to the spectrum of psychological health matters and traumatic brain injury, not available elsewhere
- Brings in-depth PH & TBI information/tools to warriors, families, clinicians, leaders
- Collaborative in approach, facilitates networking and partnerships among DoD, VA, federal agencies and community organizations
- Augments existing military and federal contact center and services

Our Capability:

- 24/7 availability of our Health Resource Consultants (most have masters or doctoral level degrees and healthcare experience)
- Respond by phone, email, instant messaging, chat, fax
- Respond to specific research requests
