★ 2017 Planned Locations

THE FY 17 CULTURAL UNDERSTANDING AND LANGUAGE PROFICIENCY APPLICATION PERIOD OPENS 15 SEPTEMBER 2016 and closes 31 Oct 2016.

United States Army Cadet Command (USACC) conducts overseas cultural deployments in support of worldwide Army Security Cooperation plans and the Army Culture and Foreign Language Strategy.

USACC performs this task by deploying teams of Cadets to perform missions all over the world during the summer training period (13 May – 30 August). These missions support Army Security Cooperation objectives worldwide and include Military to Military training, Cadet English Language Training Teams, and Humanitarian Assistance.

To determine which Cadet attends cultural awareness training missions, USACC International Programs Division solicits applications from Cadets and selects candidates through a competitive process.

QUALIFICATIONS

To be eligible to apply and be selected for a CULP Deployment, Cadets must be CONTRACTED, MEDICALLY QUALIFIED (DODMERB COMPLETED), and in GOOD STANDING.

Application Timeline:

Cadets apply using the USACC application procedures listed below during the period 15 September 2016 through 31 October 2016. Once a Cadet completes the on-line application, International Programs Division (IPD) requests approval for attendance from the Cadet's Professor of Military Science (PMS). After the close of the application period, IPD compiles an Order of Merit List (OML) for all recommended Cadets.

The OML is based on the Cadet's GPA, ROTC GPA, APFT, language and regional experience and skills. After completing the OML, the IPD selects attendees by matching each Cadet's skills, abilities, and availability against the language and skill requirements for each mission.

Cadets should not apply if they plan to apply for other Cadet Professional Development Training (Airborne, CTLT, NSTP, etc.) or other summer programs that would conflict with deployment (Project GO, Study Abroad). Drops cannot be backfilled - training is lost.

WHAT YOU SHOULD EXPECT

Culture and Language Deployments are NOT tourist vacations. Each deployment has a mission that supports the Combatant Commander's strategic security cooperation objectives for that country. Many of these missions are performed in VERY austere conditions which include unusual living conditions, foods, and risks of common traveler's illnesses. However, during these missions, Cadets receive an education and experience unmatched by anything you will do in college. Each Deployment is comprised of 3 Mission sets (Mil to Mil, HA and Cultural / Language Exchange).

Military to Military Engagements:

Cadet climbing the fixed rope at the man-made obstacle course at Georgia Republic Mountain School

Cadet training with the Nepalese Armed Police Force

Humanitarian Assistance Missions:

Cadets work with locals from the community to clean up rubble of a destroyed school from Nepal's Earthquake.

Cadets help Habitat for Humanity build a house in Philippines.

Cadet helps a little boy at the local orphanage in Burkina Faso.

Conversational English / Cultural Exchange:

Cadets teaching conversational English in Tanzania Africa.

Cadets do Cultural exchange by Jumping and Dance with Massai Tribe in Africa.

Deployment Overview:

Deployments are usually 31-33 days long consisting of 4-5 days Pre-Deployment Soldier Readiness Processing and Training at Fort Knox, 23-25 days in the foreign country to complete the mission, and 3-5 days of Post-Deployment Soldier Readiness Processing, also at Fort Knox. Deployments are organized as a team of Cadets led by a Cadre Leader (usually a company grade officer or a Senior NCO). Multiple teams will deploy to a country under the command and control of a USACC PMS.

“While deployed, USACC pays for the Cadet’s transportation, food, lodging, and incidentals. Cadets are not authorized full per diem.

While deployed, USACC expects Cadets to perform as future officers in the United States Army as they are under scrutiny by host nation military members and citizens. Cadets wear ACUs with the American Flag and US Army tapes so they are ambassadors of our country and are expected to represent our nation well. Cadre leaders evaluate leadership and competence during the entire deployment. Cadets are on Active Duty for Professional Development Training (AD-PDT) orders and therefore under the jurisdiction of the Uniform Code of Military Justice.

Cadet Instructions:

Cadets must sign Memorandum for Record along with their PMS after selection to accept the CULP mission assigned. Cadets may decline a mission so slots may be reallocated. Once accepting a mission the Cadet must complete all assigned work on Blackboard and under their country and team folder. The work is for Mission Commanders and Team Leaders to assess and monitor Cadet progress and preparation. Cadets must immediately start the Passport and Visa application submission due to long lead times, and complete all required immunizations and training outlined in the Annex U, CST OPOD and as directed in the instruction letter published for every Cadet.

Blackboard Link:

[https://rotc.blackboard.com/webapps/portal/execute/tabs/tabAction?tab_group_id= 18 1](https://rotc.blackboard.com/webapps/portal/execute/tabs/tabAction?tab_group_id=181)

Instruction letters will be given to programs to deliver to Cadet; the MFR is included as part of these instructions. If there are any questions about requirements or process Cadets must first contact their ROTC program cadre and Team Leader or Mission Commander once designated. Cadets should not deviate from assigned tasks /timelines or assume they can complete some tasks once at Ft Knox during Mission prep week. Some tasks require completion in order or in series. Some Immunizations must be on-board days or weeks prior to arrival in theater. Other long lead items include Passport / Visa. All suspenses must be met for pre-mission tasks to facilitate timely input to Combatant Command to receive country clearance.

The application process has two steps.

First, Cadets need to register on the Army Cadet Portal using these procedures.
