NUMBER 1403.01

PERS

SUBJECT: Pay Setting

References: See Enclosure 1

1. PURPOSE. This Administrative Instruction (AI), based on the authority of References (a) through (e), and in accordance with (IAW) References (f) through (j), establishes the National Capital Region Medical Directorate's (NCR MD) implementing procedures for pay setting determinations where administrative discretion is permitted by the Office of Personnel Management (OPM) or DoD regulations.

2. APPLICABILITY. This AI applies to all civilian employees who are paid from appropriated funds and assigned to the NCR MD, Walter Reed National Military Medical Center to include the DiLorenzo Clinic and the Tri-Service Dental Clinic, Fort Belvoir Community Hospital to include the Dumfries and Fairfax Clinics, and the Joint Pathology Center. Hereafter, these facilities are collectively referred to as Joint Medical Treatment Facilities (MTFs) and Centers. For more exact circumstances where this AI applies or does not apply, please see Enclosure 2 for more information.

3. POLICY. IAW the principles and intent of References (f) through (i), it is NCR MD policy that:
 - a. Non-discretionary aspects of setting civilian pay will be carried IAW existing law, rule, and regulation.

 - b. Where administrative discretion is permitted, pay setting decisions will be made that will be of greatest benefit to the employee. For instance, when an initial pay determination falls between two steps, pay will be set at the higher step.

 - c. An employee's existing rate of pay will be preserved to the maximum extent allowed within the framework of governing regulations. Highest previous rate will be used to set pay whenever it is most advantageous to the employee.

d. The following five primary rules will govern pay setting:

(1) Pay is set using the pay setting directives of the pay system the employee is moving to.

(2) Pay is set using the pay setting directives for the action that is being taken.

(3) Pay cannot be set at a rate below the first step or the lowest rate of the grade of the position to which assigned.

(4) Pay cannot be set at the rate above the top step or the highest rate of a grade unless authorized under grade and/or pay retention regulations.

(5) Pay on simultaneous actions is generally set in the order that gives the employee the maximum benefit.

4. RESPONSIBILITIES

a. Director, NCR MD and Directors, Joint MTFs and Centers. The NCR MD Director and Joint MTFs and Center Directors will participate as needed with the Civilian Human Resources Center (CHRC) staff to appropriately apply the overarching principles of the Director's pay setting policy.

b. CHRC. The CHRC will:

(1) Administer guidance to ensure the spirit and intent of the Office of Personnel Management (OPM), DoD, legal, and regulatory guidance are met.

(2) Disseminate information and provide expert advice, guidance, and assistance on the technical details of setting pay to appropriate members of the staff, management, and leadership.

(3) Ensure appropriate Civilian Human Resource audits and reviews are accomplished on pay setting decisions.

c. Managers and Supervisors. Managers and supervisors are responsible for participating as needed in pay setting decisions and communicating such results to employees, as needed.

5. PROCEDURES. As a general rule, the CHRC will make pay setting determinations IAW law, rule, and any regulation governing the organization. Where discretionary action is permitted by such guidelines, the CHRC will consult with the appropriate management official to make such discretionary decisions, ensuring that the results are consistent with applicable Director's policy statements in the AI.
