U.S.-MEXICO DORMANCY NOTICES¹

<u>Date of Letter</u>	<u>Carrier</u>	<u>Market(s) Identified as Dormant</u>
7/14/05	Atlas Air*	Huntsville-Mexico City-Guadalajara Los Angeles-Mexico City-Guadalajara

*This notification was filed, in Docket OST-2005-21709, in response to Centurion Air Cargo's application for new U.S.-Mexico all-cargo exemption authority. In its response, Atlas advises that Atlas' designation for U.S.-Mexico all-cargo service is dormant and should be available for reassignment. Under the U.S.-Mexico aviation agreement, up to a total of five U.S. carriers may provide all cargo services in the country-pair market. Amerijet, Astar, Federal Express, and United Parcel Service are currently providing all-cargo service between the United States and Mexico. In light of Atlas' dormancy, one U.S.-Mexico all-cargo designation opportunity is available.

¹ Pursuant to Order 88-10-30, U.S. carriers certificated under the U.S.-Mexico Air Transport Agreement are required to notify the Department when discontinuing service on a U.S.-Mexico city pair for 90 days or longer. We have directed carriers to file such notices as soon as the decision not to inaugurate service or to discontinue service (other than seasonally) is made, but in no case later than the 91st day of dormancy.

¹ Pursuant to Order 88-10-30, U.S. carriers certificated/designated under the U.S.-Mexico Air Transport Agreement are required to notify the Department if they fail to inaugurate service within the 90-day start-up period, or when discontinuing service on a U.S.-Mexico city pair for 90 days or longer. In Order 88-10-30, we stated that we would entertain requests for extensions/exemption from the 90-day start-up period for good cause shown. Such requests are noticed here so that other carriers may determine if they wish to file responses. Objections to the above request(s) should be addressed to: U.S. Department of Transportation, U.S. Air Carrier Licensing Division, X-44, 400 Seventh Street, SW, Washington, D.C. 20590, by the response date listed above.
