Travel arrangements must include coach-class service; a U.S. flag carrier; and the most direct, uninterrupted route. You must request an exception also to use a privately owned vehicle (POV) or rental vehicle to travel between your residence and the meeting location, if doing so is more advantageous to the Government than using common carrier transportation. However, use of a rental vehicle from your residence to and from the departure airport, and from the arrival airport to and from the meeting site is authorized.
