WARNING !
This certification concerns a matter within the jurisdiction of an agency of the United States. Making a false, fictitious, or fraudulent certification may constitute criminal violations punishable under Title 18, United States Code, Section 1001, by imprisonment up to five years and fines up to \$10,000 for each offense, and/or agency disciplinary actions up to and including dismissal.
- I certify that I am employed by the U.S. Federal Government.
- I certify that I am not named on a federally subsidized parking permit with any other federal agency.
 I certify that I am eligible for a public transportation fare benefit, will use it for my daily commute to and from work by public transit or vanpool, and will not give, sell, or transfer it to anyone else.
 I certify that in any given month, I will not use the Government-provided transit benefit in excess of the statutory limit. If my commuting costs per month on public transit exceed the month statutory limit, then I will supplement those additional costs with my own funds rather than use a Government-provided transit benefit designated for use in a future month.
- I certify that I will not claim the transit benefit in excess of my actual monthly commuting expense. If at anytime during a given month I am out of work due to sickness, vacation or any other reason, on official travel, or use a private vehicle for commuting, I will claim less and adjust the amount of my transit benefit the following month if appropriate.
 I certify that my parking fees are not included in the computation of the daily, weekly or monthly commuting costs for my transit benefit.
