## Highway Safety Program Guideline No. 6

# CODES AND LAWS

Each State should strive to achieve uniformity of traffic codes and laws throughout the State.

The State Highway Safety Office should maintain a list of all relevant traffic codes and laws, and serve as a resource to State and local jurisdictions on any proposed changes.

Each State should utilize all available sources, such as Federal or State legislative databases or websites, to ensure that its traffic codes and laws reflect the most current evidence-based and peer-reviewed research.
