

EASTERN FEDERAL LANDS ACCESS PROGRAM

The Programming Decisions Committee (PDC) responsible for the Puerto Rico Federal Lands Access Program (FLAP) has selected its initial, multiyear Program of Projects. The projects identified for programming for the Puerto Rico FLAP are listed below in no particular order, and include:

Puerto Rico Program of Projects for Fiscal Years 2013-2014

Application Number	Project/Facility Name	Project Type	Federal Land Unit Accessed	Applicant	County
PR-01	Laguna Cartagena Access Road	Resurfacing	U.S. Fish & Wildlife Service - Laguna Cartagena National Wildlife Refuge	Municipality of Lajas	Los Llanos

The next step in the process will be to develop project agreements between Eastern Federal Lands Highway Division and the State/Local Agency partners. The amount of funds allocated will depend on finalizing these agreements. Funding for these projects is not guaranteed. Funding beyond FY 2014 is dependent on reauthorization of the Access Program by Congress. The Puerto Rico PDC does not have a firm date for the next call for projects under the Access Program, but another call is anticipated within the next year. If you have any questions please contact David Payne, Access Program Manager, at 571-434-1543 or email at David.Payne@dot.gov.
