Re: ExxonMobil Pipeline Company, CPF No. 4-2011-5016

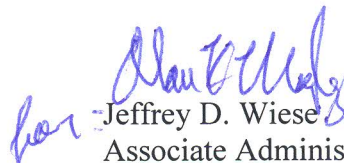

Dear Ms. Little:

I am in receipt of your Petition for Reconsideration filed on July 22, 2013, in the above-referenced case. In your Petition, you seek reconsideration of Item 1 of the Final Order, a stay of the Compliance Order pending resolution of the Petition, and modification of the Compliance Order.

This is to advise you that Item 1 of the Compliance Order, which concerns 49 C.F.R. § 195.302, is hereby stayed pending a decision on your Petition. All other terms in the Compliance Order, including actions associated with Item 2 (§ 195.452) are not modified by this stay as that item is not the subject of your Petition.

Thank you for your cooperation in this matter.

Sincerely,

  
Jeffrey D. Wiese  
Associate Administrator  
for Pipeline Safety
