**BEFORE THE
UNITED STATES DEPARTMENT OF TRANSPORTATION
PIPELINE AND HAZARDOUS MATERIALS SAFETY ADMINISTRATION**

IN THE MATTER OF:

DOT, Inc. (Respondent)

PHMSA Case No. 11-0285-CR-WE

COMPROMISE AGREEMENT

I. Parties

The Parties to this Compromise Agreement (Agreement) are:
DOT, Inc., located in Denver, Colorado,

and

The Pipeline and Hazardous Materials Safety Administration ("PHMSA"), a modal Administration of the United States Department of Transportation.

II. Authority/Jurisdiction

A. The Parties enter into this agreement under authority of 49 U.S.C. § 5123(e) and 49 C.F.R. § 107.327(a)(1).

B. For the Purposes of this Agreement, Respondent acknowledges:

(1) As an entity that holds a requalification identification number (RIN) and performs hydrostatic testing on DOT cylinders, Respondent is a regulated entity subject to the Hazardous Materials Regulations (HMR) and to the jurisdiction of (a) the Secretary of Transportation, (b) the PHMSA's Associate Administrator for Hazardous Materials Safety, and (c) PHMSA's Office of Chief Counsel (49 U.S.C. § 5103(b) and 49 C.F.R. § 107.301);

(2) PHMSA has sufficient proof to show, by a preponderance of the evidence, Respondent's violation of the Federal regulations listed in Section V below; and

(3) Respondent received proper notice of PHMSA's actions in this proceeding.

III. Background

A. On September 27, 2011, PHMSA investigator Patrick Lease conducted a compliance investigation at Respondent's facility in Denver, Colorado pursuant to 49 U.S.C. § 5121 and 49 C.F.R. § 107.305. PHMSA's investigator reported three (3) alleged violations of the HMR. At the conclusion of the compliance inspection, PHMSA's investigator conducted an "exit briefing" during which the investigator discussed the alleged violations and the required corrective actions with Respondent's representative.

B. Upon completion of the compliance inspection, the investigator submitted a report to the chief of OHME's Western Region, who reviewed the report for accuracy and sufficiency of evidence. Based on that review, the Region Chief referred the matters to PHMSA's Office of Chief Counsel thereby recommending the initiation of civil penalty action against Respondent pursuant to 49 C.F.R. § 107.311.

C. Based on a preliminary assessment of the apparent nature, circumstances, extent, and gravity of the probable violations, as set forth in the investigator's report, on April 25, 2012, an attorney from the PHMSA's Office of Chief Counsel issued a Notice of Probable Violation (Notice) for case number 11-0285-CR-WE alleging three (3) violations of the HMR (including one quality control item) and proposing a \$5,390 civil penalty.

IV. Basis of Agreement

A. Reply to Notice. Respondent submitted a timely reply to the Notice.

B. Corrective Action. In responses dated May 29, 2012, August 14, 2012, August 24, 2012, and November 7, 2012, Respondent noted that it had completed the following corrective actions:

Violation Number	Respondent's Corrective Action
1	Respondent indicated that it now performs visual inspections on cylinders. This item was a quality control item.
2	Respondent indicated that it changed its calibration procedures, and now calibrates its equipment at the appropriate test pressures. Respondent provided evidence in the form of copies of calibration reports.
3	Respondent provided hazardous materials training records showing that it had properly trained its employees.

V. Violations and Civil Penalty

In a subsequent Order, the Chief Counsel will find that Respondent committed the following violations and will assess the following civil penalty:

Viol. No.	HMR Violation	NOPV Penalty Amount	Compromise Penalty Amount
1	Respondent represented, certified, and marked DOT specification cylinders as having been successfully retested, when Respondent failed to perform a complete visual inspection, in violation of 49 C.F.R. §§ 171.2(a), (c), (g) & (j) and 180.205(f).	\$0	\$0
2	Respondent represented, certified, and marked DOT specification cylinders as having been successfully retested, when Respondent failed to confirm the accuracy of the pressure indicating device to within 500 psi of the test pressure, in violation of 49 C.F.R. §§ 171.2(a), (c), (g) & (j) and 180.205(g)(3).	\$3,210	\$2,568
3	Respondent allowed employees to perform functions subject to the HMR when the hazardous material employees had not received current training and testing, and Respondent did not maintain complete records of hazardous materials training, in violation of 49 C.F.R. §§ 171.2(a), (b), (e) & (f), 172.702(a), (b) & (d) and 172.704(a), (b), and (d).	\$2,180	\$1,308
TOTAL		\$5,390	\$3,876

VI. Factors Considered in Determining the Civil Penalty

In determining the amount of a civil penalty, PHMSA considered the following statutory criteria (49 U.S.C. § 5123(c)):

- (1) The nature, circumstances, extent, and gravity of the violations;
- (2) The degree of culpability and history of prior violations;
- (3) Respondent's size;
- (4) Respondent's ability to pay the penalty and its ability to continue to do business; and
- (5) Other matters as justice may require.

Documentation of the full facts, including Respondent's corrective actions, financial condition, and small business status, justify assessing a civil penalty of \$3,876. These same conditions justify offering a seven-month payment plan, with an initial payment of \$1,476 and six subsequent payments of \$400.

VII. Terms and Conditions

A. Payment. Respondent agrees to pay the sum of \$3,876 as full satisfaction of the civil penalty proposed in the Notice.

B. Payment Terms/Plan.

(1) Respondent must pay \$1,476 within thirty days from the date of the Order, which the Chief Counsel will issue after Respondent signs and returns this agreement. Respondent must pay an additional \$400 each thirty days, until the entire civil penalty of \$3,876 is paid.

C. By entering into this agreement, Respondent waives any right:

(1) to present further written or oral explanations, information, and arguments in this matter;

(2) to Administrative appeal; and

(3) to seek judicial review or otherwise contest or challenge the validity of this Agreement or the Notice associated with this case.

D. This Agreement resolves only the violations noted in PHMSA Case No. 11-0285-CR-WE as referenced in Section V of this agreement and in the Notice. In the event Respondent commits any future violations of the Federal hazardous material transportation law, 49 U.S.C. § 5101 *et seq.*, the HMR, or any exemption, or order issued thereunder these violations shall constitute one prior violation under 49 U.S.C. § 5123.

E. After Respondent signs and returns this Agreement, PHMSA's representative will present the Agreement to the Chief Counsel requesting that the Chief Counsel adopt the terms of this Agreement by issuing a Compromise Order (49 C.F.R. § 107.327(a)(1)). The terms of this Agreement constitute an offer of compromise until accepted by the Chief Counsel.

F. After issuance of the Compromise Order, Respondent must pay the civil penalty in accordance with the terms of this Agreement. Upon receipt of Respondent's payment, the Chief Counsel will close this case with prejudice to the Respondent (49 C.F.R. § 107.327(a)(1)(ii)).

VIII. Miscellaneous Provisions

A. By signing this Agreement, Respondent or its representative warrants to have read the agreement and understood its terms and conditions.

B. The individuals signing on behalf of the Respondent and PHMSA represent that they are authorized to sign and have authority to enter into this Agreement.

C. Respondent's failure to sign and return this agreement within thirty (30) days from its receipt will result in the withdrawal of the offer of compromise contained within this Agreement and the Chief Counsel will issue an Order pursuant to 49 C.F.R. § 107.317(d).

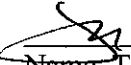

D. Failure to comply with any of the terms of this agreement may result in review, suspension, and/or termination of existing special permits/approvals, pursuant to 49 C.F.R. §107.121 and 107.713.

E. Respondent must return the signed Agreement to:

Interest and Administrative Charges

If Respondent pays the civil penalty by the due date, no interest will be charged. If Respondent does not pay by that date, the FAA's Financial Operations Division will start collection activities and may assess interest, a late-payment penalty, and administrative charges under 31 U.S.C. § 3717, 31 C.F.R. § 901.9, and 49 C.F.R. § 89.23.

The rate of interest is determined under the above authorities. Interest accrues from the date of this Order. A late-payment penalty of six percent (6%) per year applies to any portion of the debt that is more than 90 days past due. The late-payment penalty is calculated from the date Respondent receives the Order.

Treasury Department Collection

FAA's Financial Operations Division may also refer this debt and associated charges to the U.S. Department of Treasury for collection. The Department of the Treasury may offset these amounts against any payment due Respondent (31 C.F.R. § 901.3).

Under the Debt Collection Act (see 31 U.S.C. § 3716(a)), a debtor has certain procedural rights prior to an offset. You, as the debtor, have the right to be notified of: (1) the nature and amount of the debt; (2) the agency's intention to collect the debt by offset; (3) the right to inspect and copy the agency records pertaining to the debt; (4) the right to request a review within the agency of the indebtedness and (5) the right to enter into a written agreement with the agency to repay the debt. This Order constitutes written notification of these procedural rights.
