PIPELINE AND HAZARDOUS MATERIALS SAFETY ADMINISTRATION**

IN THE MATTER OF:
Global Parts Support, Inc. (Respondent)

PHMSA CASE Number:

12-0194-SB-SO

COMPROMISE AGREEMENT

I. Parties

The Parties to this Compromise Agreement ("Agreement") are:

Global Parts Support, Inc. ("Respondent"), a distributor of parts for commercial and private aircraft of all sizes, except engines, and offeror/transporter of hazardous materials.

and

The Pipeline and Hazardous Materials Safety Administration ("PHMSA"), a modal Administration of the United States Department of Transportation.

II. Authority/Jurisdiction

A. The Parties enter into this Agreement under authority of 49 U.S.C. § 5123(e) and 49 CFR § 107.327(a)(1).

B. For the Purposes of this Agreement, Respondent acknowledges:

(1) As a offeror/transporter of hazardous materials, it is a regulated entity subject to the Hazardous Materials Regulations ("HMR") and to the jurisdiction of (a) the Secretary of Transportation, (b) the PHMSA's Associate Administrator for Hazardous Materials Safety, and (c) PHMSA's Office of the Chief Counsel (49 U.S.C. § 5103(b) and 49 CFR § 107.301);

(2) PHMSA has sufficient proof to show by a preponderance of the evidence that Respondent violated the Federal regulations listed in Section V below; and

- (3) That it received proper notice of PHMSA's action in this proceeding.

III. Background

A. On September 21, 2012, an Investigator from PHMSA's Office of Hazardous Materials Safety Field Operations ("OHMSFO") conducted a routine compliance inspection at Respondent's business pursuant to 49 U.S.C. § 5121 and 49 CFR § 107.305. PHMSA's Investigator reported one (1) alleged violation of the HMR. At the conclusion of the compliance inspection, PHMSA's Investigator conducted an "exit briefing" during which the Investigator discussed the alleged violation and the required corrective actions with Respondent's representative.

B. Upon completion of the compliance inspection, the Investigator submitted a report to the Director of OHMSFO's Southern Region, who reviewed the report for accuracy and sufficiency of evidence. Based on that review, the Director referred the matter to PHMSA's Office of Chief Counsel, thereby recommending the initiation of a civil penalty action against Respondent pursuant to 49 CFR § 107.311.

C. Based on a preliminary assessment of the apparent nature, circumstances, extent, and gravity of the probable violation, as set forth in the Investigator's report, on February 8, 2013, an attorney from PHMSA's Office of Chief Counsel issued a Notice of Probable Violation ("Notice") alleging one (1) violation of the HMR and proposing a \$5,950 civil penalty.

IV. Basis of Agreement

A. Reply to Notice. On February 13, 2013, Respondent submitted a timely reply to the Notice.

B. Corrective Action. In correspondence sent on February 13 and 20, 2013, Respondent provided documentation of corrective action it has taken to support mitigation of the proposed civil penalty. Respondent has purchased new UN standard 4H2 boxes with a higher gross mass allowance for shipments of aircraft batteries. The boxes are custom designed exclusively for aircraft batteries and Respondent provided documentation describing this packaging system as well as a performance test report. The new boxes are rated at 60 kg to accommodate the weight of batteries typically shipped. Respondent provided a copy of a test report for the new UN 4H2 boxes as part of the evidence of corrective action. Respondent also provided photographic evidence that it has purchase poly liners for the new boxes.

V. Violation and Civil Penalty

In a subsequent Order, the Chief Counsel will find that Respondent committed the following violation and will assess the following civil penalty:

Viol. No.	HMR Violation	NOPV Penalty Amount	Compromise Penalty Amount
1	Offering for transportation in commerce a hazardous material, "UN2795, Batteries, Wet, Filled With Alkali, 8", in an unauthorized non-UN specification packaging, when specification packaging is prescribed, in violation of 49 CFR §§ 171.2(a), (b), (e), (f) & (i), 171.22(a) & (b), 172.101, 173.22(a)(2), 173.24(c), 173.159(c) and ICAO Packing Instruction 870.	\$5,950	\$5,250
TOTAL	-----	\$5,950	\$5,250

VI. Factors Considered in Determining the Civil Penalty

In determining the amount of a civil penalty, PHMSA considered the following statutory criteria (49 U.S.C. § 5123(c)):

- (1) The nature, circumstances, extent, and gravity of the violations;
- (2) The degree of culpability and history of prior violations;
- (3) Respondent's size;
- (4) Respondent's ability to pay the penalty and its ability to continue to do business; and
- (5) Other matters as justice may require.

Respondent's documented corrective action justifies assessing a reduced civil penalty of \$5,250.

VII. Terms and Conditions

A. Respondent agrees to pay a total civil penalty of \$5,250, as full satisfaction of the civil penalty proposed in the Notice. Respondent is to make the payment within 30 days from the date the Chief Counsel issues the Final Order, which will issue after Respondent signs and returns this Agreement.

B. By entering into this Agreement, Respondent waives:

- (1) Any right to present further written or oral explanations, information, and arguments in this matter;
- (2) Any right to Administrative appeal; and
- (3) Any right to seek judicial review or otherwise contest or challenge the validity of this Agreement or the Notice associated with this case.

C. This Agreement resolves only the violation noted in PHMSA Ref. No. 12-0194-SB-SO as referenced in Section V of this Agreement. In the event Respondent commits any future violations of the Federal hazardous material transportation law, 49 U.S.C. § 5101 *et seq.*, the HMR, or any exemption, or order issued thereunder this violation shall constitute a prior violation under 49 U.S.C. § 5123.

D. After Respondent returns this signed Agreement, PHMSA's representative will present the Agreement to the Chief Counsel requesting that the Chief Counsel adopt the terms of this Agreement by issuing a Compromise Order (49 CFR § 107.327(a)(1)). The terms of this Agreement constitute an offer of compromise until accepted by the Chief Counsel.

E. After issuance of the Compromise Order, Respondent must pay the civil penalty in accordance with the terms of this Agreement. Upon receipt of Respondent's payment, the Chief Counsel will close this case with prejudice to the Respondent (49 CFR § 107.327(a)(1)(ii)).

VIII. Miscellaneous Provisions

A. By signing this Agreement, Respondent or its representative warrants to have read the Agreement and understood its terms and conditions.

B. The individuals signing on behalf of the Respondent and PHMSA represent that they are authorized to sign and have authority to enter into this Agreement.

C. Respondent's failure to sign and return this Agreement within thirty (30) days from its receipt will result in the withdrawal of this Agreement and the Chief Counsel will issue an Order pursuant to 49 CFR §§ 107.317(d), for the full amount of the penalty proposed in the Notice.

D. Respondent must return the signed Agreement to:

Interest and Administrative Charges

The rate of interest is determined under the above authorities. Interest accrues from the date of this Order. The late-payment penalty is calculated from the date Respondent receives the Order.

Treasury Department Collection

FAA's Financial Operations Division may also refer this debt and associated charges to the U.S. Department of Treasury for collection. The Department of the Treasury may offset these amounts against any payment due Respondent (31 C.F.R. § 901.3).

Under the Debt Collection Act (see 31 U.S.C. § 3716(a)), a debtor has certain procedural rights prior to an offset. You, as the debtor, have the right to be notified of: (1) the nature and amount of the debt; (2) the agency's intention to collect the debt by offset; (3) the right to inspect and copy the agency records pertaining to the debt; (4) the right to request a review within the agency of the indebtedness and (5) the right to enter into a written agreement with the agency to repay the debt.
