- 9:45-10:15** **INTERNATIONAL PERSPECTIVE – Anomaly Assessment and
Repair**
- Speaker:** **Rafael Mora** – Technical Leader, Engineering,
National Energy Board of Canada
- 10:15 – 10:30** **BREAK**

10:30 – 11:30

ANOMALY ASSESSMENT AND REPAIR PANEL - Tool Tolerances

Introduction of the topic

Moderator (5min): **Chris Hoidal**, Director, PHMSA OPS Western Region

PHMSA expectations

Panelist (5 min): **Chris McLaren**, Program Manager, PHMSA OPS Southwest Region

Industry and Commercial Representatives Presentations

Presenter (10min): **Sergio Limon-Tapia** - Manager, NWP Pipeline Integrity Group, Williams Gas Pipeline

Presenter (10min): **Chris Whitney** - Manager, Pipeline Services East, El Paso Pipeline Group

Presenter (10min): **Stephen Westwood** - Manager New Product Development, BJ Pipeline Inspection Services

Presenter (10min): **Mark Stephens** - Senior Consultant, C-FER Technologies

Panel Q&A (10 min)

11:30 – 12:45

LUNCH [not provided]

12:45 – 1:45

ANOMALY ASSESSMENT AND REPAIR PANEL – Corrosion Growth Rates

Introduction of the topic

Moderator (5 min): **Byron Coy**, Director, PHMSA OPS Eastern Region

PHMSA expectations

Panelist (5 min): **Joe Mataich**, Community Assistance and Technical Services (CATS), PHMSA OPS Southern Region

Industry and Commercial Representatives Presentations

Presenter (10 min): **Oliver Moghissi** – Senior Vice President, CC Technologies, DNV/CC Technologies, Inc.

Presenter (10 min): **Drew Hevle** – Principal Corrosion Engineer, El Paso Corporation

Presenter (10 min): **Kevin Spencer** – Pipeline Integrity Specialist, GE Oil & Gas

Presenter (10 min): **Shahani Kariyawasam** – Principal Engineer, TransCanada Pipelines

Panel Q&A (10 min)

1:45-2:00

BREAK

2:00 – 3:00

ANOMALY ASSESSMENT AND REPAIR PANEL - Repair Criteria and Safety Factors used for assessments

Introduction of the Topic

Moderator (5 min): **Rod Seeley**, Director, PHMSA OPS Southwest Region

PHMSA Expectations

Panelist (5 min): **Zach Barrett**, Director of State Programs, PHMSA OPS

Industry and Commercial Representatives Presentations

Presenter (10 min): **Dave Johnson**, Technical Consultant, Panhandle Energy

Presenter (10 min): **John Kiefner**, Senior Advisor , Kiefner and Associates, Inc.

Presenter (10 min): **Keith Leewis**, Fellow, P-PIC

Presenter (10 min): **Chia-pin Hsiao**, Senior Staff Engineer, Chevron

Panel Q&A (10 min)

3:00-3:45

Additional Q&A on Repair Criteria and/or other panels

3:45-4:00

BREAK

4:00 – 5:00

SUMMARY COMMENTS AND CLOSING REMARKS - Open Mic for Comments, Wrap-up and Path Forward

Moderator: **Alan Mayberry**, Director of Engineering & Emergency Support, PHMSA OPS
