**BEFORE THE  
UNITED STATES DEPARTMENT OF TRANSPORTATION  
PIPELINE AND HAZARDOUS MATERIALS SAFETY ADMINISTRATION**

**IN THE MATTER OF:**

**Cameron Rental & Tank, Inc.  
(Respondent)**

PHMSA CASE Number:

12-0172-TRR-SW

**COMPROMISE AGREEMENT**

**I. Parties**

The Parties to this Compromise Agreement (Agreement) are:

**Cameron Rental & Tank, Inc.** ("Respondent"), a manufacturer, distributor, and supplier of equipment for the oilfield industry, located in Cameron, LA

and

**The Pipeline and Hazardous Materials Safety Administration** ("PHMSA"), a modal Administration of the United States Department of Transportation.

**II. Authority/Jurisdiction**

A. The Parties enter into this Agreement under authority of 49 U.S.C. § 5123(e) and 49 C.F.R. § 107.327(a)(1).

B. For the Purposes of this Agreement, Respondent acknowledges:

(1) As a manufacturer, distributor, and supplier of equipment for the oilfield industry, it is a regulated entity subject to the Hazardous Materials Regulations (HMR) and to the jurisdiction of (a) the Secretary of Transportation, (b) the PHMSA's Associate Administrator for Hazardous Materials Safety, and (c) PHMSA's Office of the Chief Counsel (49 U.S.C. § 5103(b) and 49 C.F.R. § 107.301);

(2) PHMSA has sufficient proof to show by a preponderance of the evidence that Respondent violated the Federal regulations listed in Section V below; and

- (3) That it received proper notice of PHMSA's action in this proceeding.

### III. Background

A. On July 31, 2012, an Inspector from PHMSA's Office of Hazardous Materials Safety Field Operations (OHMSFO) conducted a routine compliance inspection at Respondent's business pursuant to 49 U.S.C. § 5121 and 49 C.F.R. § 107.305. PHMSA's Inspector reported three (3) alleged violations of the HMR. At the conclusion of the compliance inspection, PHMSA's Inspector conducted an "exit briefing" during which the Inspector discussed the alleged violations and the required corrective actions with Respondent's representative.

B. Upon completion of the compliance inspection, the Inspector submitted a report to the director of OHMSFO's Southern Region, who reviewed the report for accuracy and sufficiency of evidence. Based on that review, the Region Director referred the matter to PHMSA's Office of Chief Counsel thereby recommending the initiation of a civil penalty action against Respondent pursuant to 49 C.F.R. § 107.311.

C. Based on a preliminary assessment of the apparent nature, circumstances, extent, and gravity of the probable violations, as set forth in the Inspector's report, on December 19, 2012, an attorney from PHMSA's Office of Chief Counsel issued a Notice of Probable Violation (Notice) alleging two (2) violations of the HMR and proposing a \$8,392 civil penalty.

### IV. Basis of Agreement

A. Reply to Notice. On January 30, 2013, Respondent submitted a timely reply to the Notice.

B. Corrective Action. In a correspondence dated August 23, 2012, Respondent submitted evidence of corrective actions it had taken in response to the exit briefing. The following is a summary of all of Respondent's corrective actions.

| Violation Number | Respondent's Corrective action  |
|------------------|---|
| 1                | Respondent stated that it had purchased the proper replacement springs in order to bring the subject cutting boxes into compliance with the HMR. In addition, Respondent submitted a copy of an invoice for the replacement springs as further proof of its corrective action for this violation.     |
| 2                | Respondent indicated that it had hired a hazmat training consultant to provide hazmat training for its hazmat employee. Respondent submitted copies of recent training records, for its hazmat employee, in the required subject areas, as further proof of its corrective action for this violation. |

C. Small Business Size. Evidence in the record also substantiates that Respondent is a small business.

### V. Violations and Civil Penalty

In a subsequent Order, the Chief Counsel will find that Respondent committed the following violations and will assess the following civil penalty:

| Viol. No.    | HMR Violation   | NOPV Penalty Amount | Compromise Penalty Amount |
|--------------|---|---------------------|---------------------------|
| 1            | Offering non-specification portable tanks (cutting boxes) for transportation subject to the requirements of 49 CFR § 176.340 and the requirements of a DOT specification 57 portable tank when the installed pressure relief device of the tank has a pressure setting less than 5 psig, in violation of 49 CFR §§ 171.2(g), and 176.340(b)(8). | \$7,000             | \$5,250                   |
| 2            | Allowing an employee to perform a function subject to the requirements of the HMR, while failing to provide general awareness, function-specific, and security awareness training, in violation of 49 CFR §§ 171.2(a), (c), & (g), 172.702(b) and 172.704(a).   | \$1,392             | \$1,044                   |
| <b>TOTAL</b> |   | <b>\$8,392</b>      | <b>\$6,294</b>            |

### VI. Factors Considered in Determining the Civil Penalty

In determining the amount of a civil penalty, PHMSA considered the following statutory criteria (49 U.S.C. § 5123(c)):

- (1) The nature, circumstances, extent, and gravity of the violations;
- (2) The degree of culpability and history of prior violations;
- (3) Respondent's size;
- (4) Respondent's ability to pay the penalty and its ability to continue to do business; and
- (5) Other matters as justice may require.

Documentation of Respondent's corrective actions for these violations and the fact that Respondent is a small business, justify assessing a civil penalty of \$6,294 payable in six (6) monthly installments of \$1,049.

### VII. Terms and Conditions

A. Respondent agrees to pay the sum of \$6,294, as full satisfaction of civil penalty proposed in the Notice in six (6) monthly payments of \$1,049 each.

- (1) Respondent must pay the first \$1,049 of the payment plan within thirty days of the date of the Compromise Order.

(2) Respondent must pay an additional \$1,049 each thirty days after that until the entire amount is paid.

B. By entering into this Agreement, Respondent waives:

(1) Any right to present further written or oral explanations, information, and arguments in this matter;

(2) Any right to Administrative appeal; and

(3) Any right to seek judicial review or otherwise contest or challenge the validity of this Agreement or the Notice associated with this case.

C. This Agreement resolves only the violations noted in PHMSA Ref. No. 12-0172-TRR-SW as referenced in Section V of this Agreement. In the event Respondent commits any future violations of the Federal hazardous material transportation law, 49 U.S.C. § 5101 *et seq.*, the HMR, or any exemption, or order issued thereunder these violations shall constitute a prior violation under 49 U.S.C. § 5123.

D. After Respondent returns this signed Agreement, PHMSA's representative will present the Agreement to the Chief Counsel requesting that the Chief Counsel adopt the terms of this Agreement by issuing a Compromise Order (49 C.F.R. § 107.327(a)(1)). The terms of this Agreement constitute an offer of compromise until accepted by the Chief Counsel.

E. After issuance of the Compromise Order, Respondent must pay the civil penalty in accordance with the terms of this Agreement. Upon receipt of Respondent's final payment, the Chief Counsel will close this case with prejudice to the Respondent (49 C.F.R. § 107.327(a)(1)(ii)).

#### VIII. Miscellaneous Provisions

A. By signing this Agreement, Respondent or its representative warrants to have read the Agreement and understood its terms and conditions.

B. The individuals signing on behalf of the Respondent and PHMSA represent that they are authorized to sign and have authority to enter into this Agreement.

C. Respondent's failure to sign and return this Agreement within thirty (30) days from its receipt will result in the withdrawal of this Agreement and the Chief Counsel will issue an Order pursuant to 49 C.F.R. §§ 107.317(d), for the full amount of the penalty proposed in the Notice.

D. Respondent must return the signed Agreement to:

Interest and Administrative Charges

The rate of interest is determined under the above authorities. Interest accrues from the date of this Order. The late-payment penalty is calculated from the date Respondent receives the Order.

Under the Debt Collection Act (see 31 U.S.C. § 3716(a)), a debtor has certain procedural rights prior to an offset. You, as the debtor, have the right to be notified of: (1) the nature and amount of the debt; (2) the agency's intention to collect the debt by offset; (3) the right to inspect and copy the agency records pertaining to the debt; (4) the right to request a review within the agency of the indebtedness and (5) the right to enter into a written agreement with the agency to repay the debt.
