

**BEFORE THE
UNITED STATES DEPARTMENT OF TRANSPORTATION
PIPELINE AND HAZARDOUS MATERIALS SAFETY ADMINISTRATION**

IN THE MATTER OF:
Federal Resources Supply Company, Inc.
(Respondent)

PHMSA CASE NUMBER

12-0109-CR-EA

FINAL ORDER

By this Order, I find that Federal Resources Supply Company, Inc. (Respondent) committed one (1) violation (plus a quality control item) of the Hazardous Materials Regulations (HMR), 49 CFR Parts 171-180, and I assess Respondent a \$2,920 civil penalty.

On April 18, 2013, the Office of Chief Counsel issued a Notice of Probable Violation (Notice) to Respondent proposing a \$2,920 civil penalty for one (1) violation (plus a quality control item) of the HMR. On March 15, 2013, Respondent submitted a payment in the amount of \$2,920. By paying the full amount of the civil penalty proposed in the Notice, Respondent admitted the violation as alleged in the Notice (49 CFR § 107.315). Therefore, I find Respondent committed the violation as set forth in the Notice.

This violation shall constitute a prior violation under 49 U.S.C. § 5123 in the event Respondent commits any future violation of the Federal hazardous materials transportation law, 49 U.S.C. § 5101 *et seq.*, or the HMR.

By paying the proposed civil penalty, Respondent waived all rights to further respond to the Notice and to appeal this Order. Accordingly, PHMSA accepts Respondent's March 15, 2013 payment in full satisfaction of the civil penalty proposed in the Notice and PHMSA shall close this case with prejudice.

Dated: 5/31/2013

It is so Ordered,

Vanessa L. Allen Sutherland
Chief Counsel
