

**BEFORE THE
UNITED STATES DEPARTMENT OF TRANSPORTATION
PIPELINE AND HAZARDOUS MATERIALS SAFETY ADMINISTRATION**

IN THE MATTER OF:
Orbital Sciences Corporation (Respondent)

PHMSA CASE NUMBER

12-0071-SB-EA

FINAL ORDER

By this Order, I find that Orbital Sciences Corporation (Respondent) committed two (2) violations of the Hazardous Materials Regulations (HMR), 49 CFR Parts 171-180, and I assess Respondent a \$9,105 civil penalty.

On February 4, 2013, the Office of Chief Counsel issued a Notice of Probable Violation (Notice) to Respondent proposing a \$9,105 civil penalty for two (2) violations of the HMR. On March 8, 2013, Respondent submitted a payment in the amount of \$9,105. By paying the full amount of the civil penalty proposed in the Notice, Respondent admitted the violations as alleged in the Notice (49 C.F.R. § 107.315). Therefore, I find Respondent committed the violation as set forth in the Notice.

These violations shall constitute a prior violation under 49 U.S.C. § 5123 in the event Respondent commits any future violation of the Federal hazardous materials transportation law, 49 U.S.C. § 5101 et seq., or the HMR.

By paying the proposed civil penalty, Respondent waived all rights to further respond to the Notice and to appeal this Order. Accordingly, PHMSA accepts Respondent's March 8, 2013 payment in full satisfaction of the civil penalty proposed in the Notice and PHMSA shall close this case with prejudice.

Dated: 3/12/2013

It is so Ordered,

Vanessa L. Allen Sutherland
Chief Counsel
