On January 18, 2013, the Office of National Drug Control Policy (ONDCP) issued its Accounting of Drug Control Funding and Performance Summary Circular (the Circular). The Circular requires agencies to submit drug control obligations and performance reports. It further requires inspectors general to review these reports.

As required, the Office of Inspector General (OIG) is initiating an attestation engagement of the Federal Aviation Administration's (FAA) fiscal year 2014 Drug Control Obligation Summary and Performance Summary Reports. Our objective is to provide negative assurance as to whether any information came to our attention based on the work performed to indicate that management's assertions are not fairly presented, in all material respects, in conformity with the Circular's requirements. We will not express an opinion on the accuracy of FAA's Drug Control Obligation Summary and Performance Summary Reports.

We will begin our attestation engagement immediately and will contact your audit liaison to schedule an entrance conference. The Circular requires that we submit our report to ONDCP by February 1, 2015. To meet this timeframe, we will need the signed fiscal year 2014 reports by January 5, 2015.

If you have any questions, please call me at (202) 366-1407, or George Banks, Program Director, at (410) 962-1729.
