

The following webinars provide information on the second Strategic Highway Research Program (SHRP2) Solutions and assistance opportunities available through the FHWA/AASHTO Implementation Assistance Program (IAP) beginning April 1, 2016. **This will be the last opportunity to take advantage of the IAP's financial and technical assistance to implement SHRP2 products.** Plan to attend the following Round 7 webinars to learn more about SHRP2 implementation opportunities.

Webinars: March 8 – 22, 2016
Application Period: April 1 – 29, 2016

REGISTRATION PROCESS: The Federal Highway Administration uses a registration system for webinars. In this system, external users (those without an @dot.gov email address) must request an account before they can register for webinars.

If you are an external user, your first step is to [request an account](#). Within two business days, you will receive e-mails with your temporary password and approval information. You will then be able to register for the webinars by clicking on the registration links below.

RELIABILITY

Reliability Data and Analysis Tools (L02/L05/L07/L08/C11)

Tools to help transportation planners and engineers improve monitoring and analysis of data to achieve more consistent, predictable highway travel. **Tuesday, March 15; 2:00 – 3:30 p.m. EDT** [Register today!](#)

Reliability in Simulation and Planning Models (L04)

Guidelines for incorporating reliability performance measures into travel models. **Wednesday, March 16; 11:00 a.m. – 12:30 p.m. EDT** [Register today!](#)

Regional Operations Forum (L36)

Training program to advance transportation systems management and operations. **Monday, March 21; 2:00 – 3:30 p.m. EDT** [Register today!](#)

RENEWAL

Utility Bundle (R01A/R01B/R15B)

Featuring a bundle of three utility-related SHRP2 Solutions: *3D Utility Location Data Repository* (R01A), *Utility Locating Technologies* (R01B), *Identifying and Managing Utility Conflicts* (R15B). **Tuesday, March 8; 2:00 – 3:30 p.m. EST** [Register today!](#)

Structures Solutions

Featuring four SHRP2 bridge and tunnel solutions: *Nondestructive Testing for Concrete Bridge Decks* (R06A), *Nondestructive Testing for Tunnel Linings* (R06G), *Service Life Design for Bridges* (R19A), *Service Limit State Design for Bridges* (R19B). **Wednesday, March 9; 11:00 a.m. – 12:30 p.m. EST** [Register today!](#)

Railroad-DOT Mitigation Strategies (R16)

Model agreements to improve coordination between transportation agencies and railroads. **Tuesday, March 15; 11:00 a.m. – 12:30 p.m. EDT** [Register today!](#)

Pavement Solutions

Featuring three SHRP2 pavement solutions: *Techniques to Fingerprint Construction Materials* (R06B), *Advanced Methods to Identifying Pavement Delamination* (R06D), and *Guidelines for the Preservation of High-Traffic-Volume Roadways* (R26). **Tuesday, March 22; 2:00 – 3:30 p.m. EDT** [Register today!](#)

CAPACITY

PlanWorks (C01)

Systematic web-based resource that supports collaborative decision making to deliver projects that meet environmental, community, and mobility needs.

Thursday, March 17; 11:00 a.m. – 12:30 p.m. EDT [Register today!](#)
