

# Port Security Advisory 11-09 (Rev 1)

## U.S. COAST GUARD COUNTER-PIRACY INFORMATION

The guidance provided in Port Security Advisory (PSA) 11-09; *Supplementary Guidance on Antipiracy Defensive Measures* for U.S. flagged vessels operating in High Risk Waters has been incorporated into Maritime Security (MARSEC) Directive 104-6 (Rev 3) and is now compulsory for vessels subject to the directive.

MARSEC Directive 104-6 (Rev 3) was released on May 12, 2010 and is available on CG Homeport. This directive is designated Sensitive Security Information (SSI) and is not subject to public disclosure. Revision 3 is available at the local Captain of the Port (COTP) offices and U.S. flagged vessel owners and operators, subject to this directive, should contact the COTP to request a copy. Contact information for the COTP offices can be found in the Port Directory at: <http://homeport.uscg.mil>.

PSA (2-09) (Rev 1); *MARSEC Directive 104-6 (Rev 3)* is the non-SSI version of this directive and can be found at: <http://homeport.uscg.mil/piracy>.

THE CONDITIONS OF ENTRY APPLICABLE TO VESSELS OUTLINED IN PORT SECURITY ADVISORY 03-10 REMAIN IN EFFECT.
