¹ After programmatic distribution of Equity Bonus, inclusive of State Planning and Research (SPR) funding.

² N/A = no changes in designation; each State's adjusted FY 2009 CMAQ share was calculated in isolation (i.e., unadjusted weighted population data was used for other States); States in gray are below the 1/2% minimum share and, therefore, a portion of their CMAQ funding is flexible.

³ Flexible share = 1 - (initial share/0.005)

⁴ Initial flexible CMAQ amount unless superseded by flexible CMAQ amount based on change in nonattainment/maintenance area designation.
