CERTIFICATION UNDER SECTION 1511 OF
THE AMERICAN RECOVERY AND REINVESTMENT ACT:

Pursuant to Title XV, Subtitle A, section 1511 of the American Recovery and Reinvestment Act (Pub. L. 111-5 (Feb. 17, 2009)) (ARRA), I, Christine O. Gregoire, hereby certify that the attached infrastructure investment totaling \$537,127,346 funded with \$262,133,422 appropriated by ARRA under the heading "Highway Infrastructure Investment" to the Federal Highway Administration and under the heading "Transit Capital Assistance" to the Federal Transit Agency, has received the full review and vetting required by law and that I accept responsibility that such investment is an appropriate use of taxpayer dollars. I further certify that the specific information required by section 1511 concerning this investment (a description of the investment, the estimated total cost, and the amount of ARRA funds to be used) is provided in the Washington Statewide Transportation Improvement Program (STIP) and is available to the public at www.wsdot.wa.gov/funding/stimulus and linked to Recovery.gov.

I understand that my state or local agency may not receive ARRA infrastructure investment funding unless this certification is made and posted.

Signed this 15th day of July 2009.

Christine O. Gregoire
Governor

Poulsbo	Viking Ave. Improvements Phase II (McDonalds to SR 305)	Viking Avenue is classified as a Principal Arterial. The corridor provides links from Poulsbo to Silverdale and Bainbridge Island. Currently, Viking Avenue reduces its cross section to two lanes from five and three lanes in these two sections. The roadway has no sidewalks or bike lanes. The proposed project will improve mobility and safety along this corridor. Phase II of the project consists of the intersection of NW Lindvig Way and Viking Avenue, and the segment of Viking Avenue from the McDonalds restaurant to SR 305. The improvements along Viking Avenue include a continuous two-way left turn lane extending from the north terminus of the project to a point approximately 500 feet north of the south terminus of the project, bike lanes, drainage improvements, and curb and sidewalk on both sides of the road. The improvements at the intersection consist of improved channelization by adding a left-turn lane westbound on NW Lindvig Way and a right-turn lane northbound on Viking Avenue. ARRA funds will be used on Phase II only. Amended Scope	6,919,000	3,800,000
