November 20, 2009

The Honorable David A. Paterson
Governor of New York State
State Capitol
Albany, NY 12224

Dear Governor Paterson:

Pursuant to Title XV, Subtitle A, Section 1511 of the American Recovery and Reinvestment Act (Pub. L. 111-5 (February 17, 2009)) ("ARRA"), I, Stanley Gee, hereby certify that the infrastructure investments totaling \$3.241 million, listed in the attachment to this certification, dated November 20, 2009, funded with amounts appropriated by ARRA under the heading "Transit Capital Assistance" to the Federal Transit Administration, have received the full review and vetting required by law and that I accept responsibility that such investments are appropriate uses of taxpayer dollars. I further certify that the specific information required by Section 1511 concerning each such investment (a description of the investment, the estimated total cost, and the amount of ARRA funds to be used) is provided on the New York State Transportation Improvement Program ("STIP") and will be available to the public at <http://www.economicrecovery.ny.gov/> and linked to Recovery.gov. The STIP was adjusted from the previously certified \$19.975 million to \$23.216 million to include the \$3.241 million being certified herein.

I understand that the State or local agencies may not receive ARRA infrastructure investment funding unless this certification is made and posted.

Sincerely,

A handwritten signature in cursive script that reads "Stanley Gee".

Stanley Gee
Acting Commissioner
