TTY USERS CALL VIA MD RELAY

December 10, 2009

Mr. Joel Szabat  
Deputy Assistant Secretary for Transportation Policy  
U.S. Department of Transportation  
1200 New Jersey Avenue, SE  
Washington, DC 20590

Dear Deputy Assistant Secretary Szabat:

In accordance with Section 1511 of P.L. 111-5, "The American Recovery and Reinvestment Act of 2009" (ARRA), enclosed please find certification that the highway infrastructure investments for Maryland included in the attached list totaling \$427,729,772 has received the full review and vetting required by law and that the investment is an appropriate use of taxpayer dollars. The list is inclusive of Maryland highway investments that have already been certified.

This certification is provided for the Maryland Department of Transportation's (MDOT) ARRA projects that have been advertised and approved by the appropriate Metropolitan Planning Organization (MPO). Please note that Maryland's previous Section 1511 certification dated September 11, 2009 included estimated costs of projects and totaled \$430,072,510, while the attached certification totals \$427,729,772, reflecting actual cost figures for all projects that have been awarded thus far and savings due to low bids.

Maryland transit projects valued at \$128,942,184 have also been certified, so the total value of Maryland's certified transportation projects will total \$556,671,956 once this certification has been posted online. Additional certifications for the remaining Maryland highway and transit infrastructure projects funded under ARRA will be provided at dates prior to the February 17, 2010 obligation deadline for ARRA-funded transportation projects. Because all projects will have been awarded by that time, forthcoming certifications will continue to show actual cost figures.

I thank you for your support for transportation infrastructure needs in Maryland. If you need further assistance, please do not hesitate to contact Ms. Beverley Swaim-Staley, Secretary of Transportation. She can be reached at 410-865-1001 or at [bswaim-staley@mdot.state.md.us](mailto:bswaim-staley@mdot.state.md.us). Of course, please feel free to contact me directly.

Sincerely,

A handwritten signature in black ink, appearing to read "Martin O'Malley".

Governor

**CERTIFICATION UNDER SECTION 1511 OF  
THE AMERICAN RECOVERY AND REINVESTMENT ACT:**

Pursuant to Title XV, Subtitle A, section 1511 of the American Recovery and Reinvestment Act (Pub. L. 111-5 (Feb. 17, 2009)) ("ARRA"), I, Martin O'Malley\*, hereby certify that the infrastructure investments totaling \$427,729,772 funded with amounts appropriated by ARRA under the heading "Highway Infrastructure Investment" to the Federal Highway Administration, have received the full review and vetting required by law and that I accept responsibility that such investments are appropriate uses of taxpayer dollars. I further certify that the specific information required by section 1511 concerning each such investment (a description of the investment, the estimated total cost, and the amount of ARRA funds to be used) is provided on the Maryland Statewide Transportation Improvement Program (STIP) and is available to the public at <http://www.mdot.state.md.us/Planning/STIPandTIP/2008STIP.pdf> and linked to Recovery.gov.

I understand that my State agency may not receive ARRA infrastructure investment funding unless this certification is made and posted.

---

Martin O'Malley

Governor of Maryland

Signed this 10<sup>th</sup> day of December, 2009.

\* In accordance with section 1511 of ARRA, the Certifying Official may be either the Governor, mayor, or other chief executive, as appropriate.
