Dear Secretary LaHood:

Please find enclosed the State of Alabama's American Recovery and Reinvestment Act of 2009 (ARRA) Section 1511 certification for additional transportation infrastructure investments listed in Alabama's Statewide Transportation Improvement Program (STIP). The public can view the ARRA funding projects at <http://www.dot.state.al.us/stimulus2009> or by going directly to the Alabama Department of Transportation's website under American Recovery and Reinvestment Act of 2009 (Stimulus Plan).

We will submit additional Section 1511 certifications as we continue to amend the STIP to include additional projects funded by ARRA transportation monies and approved by the metropolitan planning organizations and counties.

The attached and subsequent certifications will be available on the Alabama Department of Transportation's website for purposes of transparency and accountability. Should you have any questions please contact Transportation Director Joe McInnes at 334-242-6311.

THE AMERICAN RECOVERY AND REINVESTMENT ACT:**

Pursuant to Title XV, Subtitle A, Section 1511 of the American Recovery and Reinvestment Act (Pub. L. 111-5 [February 17, 2009]) ("ARRA"), I, Bob Riley, Governor of the State of Alabama, hereby certify that the attached list of infrastructure investments, dated December 22, 2009, to be funded with amounts appropriated by ARRA under the heading: "Highway Infrastructure Investment" to the Federal Highway Administration, has received the full review and vetting required by law and that I accept responsibility that such investments are appropriate uses of taxpayer dollars. I further certify that the specific information required by Section 1511 concerning each such investment (a description of the investment, the estimated total cost and the amount of ARRA funds to be used) is provided on the Alabama Statewide Transportation Improvement Program (STIP) and is available to the public at <http://www.dot.state.al.us/stimulus2009> or by going directly to the Alabama Department of Transportation's website under American Recovery and Reinvestment Act of 2009 (Stimulus Plan).

I understand that my state or local agency may not receive ARRA infrastructure investment funding unless this certification is made and posted.
