Certification under Section 1511 of the American Recovery and Reinvestment Act

Pursuant to Title XV, Subtitle A, Section 1511 of the American Recovery and Reinvestment Act (Pub. L. 111-5, February 17, 2009)(ARRA), I, Brian W. Ness, Director of the Idaho Transportation Department, hereby certify that the infrastructure investment funded by ARRA for the attached infrastructure investments funded with amounts appropriated by ARRA under the headings: "Highway Infrastructure Investment" to the federal Highway Administration and "Transit Capital Assistance" to the Federal Transit Administration, have received the full review and vetting required by law and that I accept responsibility that such investments are appropriate uses of taxpayer dollars. I further certify that the specific information required by section 1511 concerning each such investment (a description of the investment, the estimated total cost and the amount of ARRA funds to be used) is provided through amendments to the approved Idaho Statewide Transportation Improvement Program (STIP) that are available to the public at [http://itd.idaho.gov/planning/stip/amendments\\_2009.htm](http://itd.idaho.gov/planning/stip/amendments_2009.htm) and linked to Recovery.gov.

I understand that my State or local agency may not receive ARRA infrastructure investment funding unless this certification is made and posted.

Director, Brian W. Ness
