INVESTIGATOR NAME (Print or type)	INVESTIGATOR SIGNATURE	DEPARTMENT	OFFICER NO.	DATE OF REPORT
-----------------------------------	------------------------	------------	-------------	----------------

General Instructions

This supplemental report must be completed in **addition** to the DR Form 40, "Investigator's Motor Vehicle Accident Report" for any:

1. Truck with a Gross Vehicle Weight Rating (GVWR) or Gross Combination Vehicle Weight Rating (GCVWR) of 10,001 pounds or more;
2. Vehicle displaying a hazardous materials placard; or
3. Bus designed to transport nine or more passengers, **including** the driver.

You will need to complete additional supplementary forms if more than two trucks/buses were involved in the accident.

Data Elements

1. **Date of Accident and Location Information:** Enter this information just as you did on the Investigator's Motor Vehicle Accident Report.
2. **Agency Case Number:** If your agency has assigned an internal case number to the accident, enter the number just as you did on the Investigator's Motor Vehicle Accident Report.
3. **Driver Name:** Copy the name of the truck or bus driver from the Investigator's Motor Vehicle Accident Report.
4. **Carrier Name and Address:** A motor carrier is defined as the person, company, or organization responsible for directing the transportation of the cargo or persons. The owner of the vehicle is often not the carrier. For further explanation, consult the "Instructions for Completing the Investigator's Motor Vehicle Accident Report Forms" booklet (*revised edition January 2009*).
5. **Trailer License Plate:** If a truck has an attached trailer with a separate license plate, enter the following information in the boxes provided: the license plate number of the trailer, the state of issuance, and the year of registration as displayed.
6. **Commerce Classification:** Check the "Interstate Commerce" box if the commercial vehicle can legally trade, traffic, or transport property across state lines. Mark the "Intrastate Commerce" box when the commercial vehicle is restricted to commerce within one state.
7. **Truck Width:** Measure the widest part of the truck or trailer and then check the appropriate box. If "Other" is checked, specify the width in inches on the line provided.
8. **Driver's License Class Code:** Check the appropriate box.
Class A, B, or C - Commercial License Class M - Motorcycle Class O - Operator
9. **Hazardous Material Involved:** Determine if the vehicle has a Hazardous Material Placard and then indicate the 1-digit Hazard Class Number located on the bottom of the Diamond Placard.
10. **Carrier Identification Number:** Vehicles engaged in intrastate/interstate transport have either a six- or seven-digit US DOT or ICC MC number. Some trucks may not have an identifying number.
11. **Gross Vehicle Weight Rating (GVWR) and/or Gross Combination Vehicle Weight Rating (GCVWR):** The Gross Vehicle Weight Rating (GVWR) is the weight specified by the manufacturer. The Gross Combination Vehicle Weight Rating (GCVWR) for a vehicle towing a trailer or trailers is the sum of the ratings for each unit. Check the appropriate box.
12. **Vehicle Configuration:** Check the appropriate box. If box 37 or 38 is checked, check appropriate box in "Bus Use" element.
13. **Cargo Body Type:** Check the appropriate box.
14. **Bus Use:** Check the box indicating what the bus was being used for at the time of accident.
Note: School bus means the use of a school bus to transport only school children and/or school personnel from home to school and from school to home.
15. **Investigating Officer Information:** Complete this section and be sure to **sign** the report.
