

PAVEMENT MANAGEMENT QUARTERLY WEBINARS
KICKOFF OCTOBER 20, 2016

FHWA, AASHTO Joint Technical Committee on Pavements, and TRB Committee AFD10, Pavement Management Systems, will be hosting a series of quarterly webinars starting on October 20, 2016. The purpose of the webinars is to provide a forum for education and communication for pavement management practitioners. The initial focus of the webinars will be a “book club” format of the Pavement Management Guide, Second Edition 2012 published by AASHTO.

The October 20th webinar will be from 2:00-3:30 pm Eastern Time and cover:

Chapter 1 – Introduction to the Guide
Chapter 2 – Managing Transportation Assets Effectively

In addition a state and local representative will give their perspective on how they are implementing Chapter 2.

Additional information on the webinars and recordings may be found at FHWA’s Pavement Management and Performance website (<http://www.fhwa.dot.gov/pavement/mana.cfm>).

There is no cost for this Webinar but registration is required.

To register for the webinar, go to:
