President and Chief Operating Officer
AmeriGas Propane, LP

CPF 2-2013-0021

Dear Mr. Sheridan:

On June 30, 2014, the Pipeline and Hazardous Materials Safety Administration (PHMSA), Office of Pipeline Safety (OPS) issued AmeriGas Propane, LP (AmeriGas) a Final Order with an attached Compliance Order (CO) in the above-referenced case. The CO required AmeriGas to undertake certain actions to ensure compliance with the federal pipeline safety regulations.

The OPS Southern Region received and reviewed AmeriGas' responses to the CO dated September 3, 2014, and September 16, 2014. Based on our review of the actions taken by AmeriGas and the supporting documentation we have determined that AmeriGas has complied with the terms of the CO and the Final Order.

This case is now closed and no further action is necessary with respect to the matters involved in this case.

Please be advised that this letter refers only to the above referenced order (**CPF 2-2013-0021**) and not to any other PHMSA cases, if any.

Sincerely,

Wayne T. Lemoi
Director, Office of Pipeline Safety
PHMSA Southern Region
