

Air Traffic Publications

Additional Products:

Facility Directives Repository (FDR)

- ✈ Provides a centralized, automated web-based library for FAA employees to access all Letters of Agreement (LOA), Standard Operating Procedures (SOP), and FAA Facility Orders (FO) for Air Traffic Facilities throughout the National Airspace System.
- ✈ Updated: User update on a daily basis

International Flight Information Manual (IFIM)

- ✈ Provides on-line international preflight planning guidance
- ✈ Primarily for use by U.S. non-scheduled operators, business and private aviators flying outside of the U.S.
- ✈ Updated: Daily, as needed
