(FIRST REVISION)

EXPIRATION DATE: July 31, 2016

1. GRANTEE: Andrew Airways, Inc.
Kodiak, AK
Air Carrier Certification No: D4NA753Y
2. PURPOSE AND LIMITATION:
 - a. This special permit authorizes the transportation in commerce of certain non-DOT specification bulk packages containing Class 3 material by cargo aircraft where no other means of transportation is practicable. This special permit provides no relief from the Hazardous Materials Regulations (HMR) other than as specifically stated herein. The most recent revision supersedes all previous revisions.
 - b. The safety analyses performed in development of this special permit only considered the hazards and risks associated with transportation in commerce. The safety analyses did not consider the hazards and risks associated with consumer use, use as a component of a transport vehicle or other device, or other uses not associated with transportation in commerce.
 - c. No party status will be granted to this special permit.
