Dear Mr. True:

I am in receipt of your Petition for Reconsideration, dated April 22, 2009, wherein you request that I reconsider Item 11 of the Final Order issued in the above-referenced case. Your letter further requests a stay of the terms of the Compliance Order associated with that Item, and an extension of time to comply with certain other terms of the Compliance Order.

By this letter, the terms of the Compliance Order concerning the inspection and testing of SCADA pressure transmitters (Requirement 5), are stayed pending the issuance of a decision on your Petition. By this letter, an extension of time is also granted to comply with the terms of the Compliance Order contained in Requirements 2 and 4. The deadline for compliance with Requirements 2 and 4 shall be October 31, 2009.
