Dear Mr. Newton:

On September 1, 2009, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued to Golden Valley Electric Association (GVEA) a Final Order in the above-referenced case. This Order included a Civil Penalty assessment which would automatically close the enforcement action upon receipt of payment. On May 14, 2010, PHMSA received GVEA's payment and accordingly, this case is now closed and no further action is needed with respect to the matters involved in this case. Thank you for your cooperation in this matter.

Sincerely,

Dennis Hinnah
Deputy Director, Western Region
