Sought records include but are not limited to: (1) All invoices, billings, summaries, or correspondence referring or relating to the Waste Services; (2) All documents referring or relating to WM invoice numbers 418399-A and 418399-B to the Parish of Jefferson or the Jefferson Parish Consolidated Garbage District No.1; (3) All correspondence to or from either the Parish of Jefferson or the Jefferson Parish Consolidated Garbage District No. 1 or any of their agents, employees or representatives, relating or referring to the Waste Services including any claim or request for payment, reimbursement or credit of same; (4) All documents relating or referring to the processing of any claims or requests for reimbursement, payment or credit for the Waste Services; (5) All documents showing any payments or reimbursements made or credit(s) given in connection with or relating or referring to the Waste Services; (6) Any settlements or releases relating or referring to the Waste Services; and (7) All documents showing the current status of any claims or requests for reimbursement, payment or credit regarding the Waste Services.
<u>2014-FEFO-00304</u>	Boies, Schiller & Flexner, LLP	Holtzman, Steven	12/20/2013	Records relating to: (1) All scientific evidence regarding the effectiveness of the thinning of eucalyptus for the purposes of preventing or mitigating wildfire; and (2) Any communications, or any records, notes, or summaries of such communications, between anyone from or on behalf of FEMA and other organizations or individuals (other than employees of FEMA) since June 1, 2013 concerning methods of managing eucalyptus in the East Bay hills.
<u>2014-FEFO-00316</u>	-	[Redacted]	12/20/2013	I am requesting information regarding FEMA's final adjudication of my federal background investigation that was completed earlier this year. I had received word from my company that I was badgeable but am seeking this information for the official confirmation that I have clearance.
<u>2014-FEFO-00308</u>	Mass Citizens for Jobs	Gibbons, Darin	12/23/2013	Records regarding correspondence between FEMA and Massachusetts State Representative Jim Cantwell. Specifically, any correspondence between Massachusetts State Representative Jim Cantwell (including letters, e-mails, etc.) from August 1, 2013 to the present. Provided the following background information: The Biggert-Waters Flood Insurance Act ended long-term federal subsidies that kept flood insurance low in prone areas, including Rep. Cantwells district. He has represented to his constituency that he has been in touch with FEMA in an effort to restore the low flood insurance rates and limit the effect on his district.
<u>2014-FEFO-00336</u>	The Gazette	Vogrin, Cary	12/23/2013	Information on the number of FEMA Individual Assistance checks sent to the following four service agency addresses, from Sept. 12 - Dec. 23, 2013: (1) Marian House Soup Kitchen/Catholic Charities 14 W. SUBJECT MATTER: ANY AND ALL email and/or text messages from or to the personnel identified that contained mention of the following: Region II External Affairs Director Position; Region II Mission Support Director Position; Region II Deputy Regional Administrator Position; [redacted] (b)(6) [redacted] Ethnicity Gender Otherwise unidentified unique hiring factors.

<u>2014-FEFO-00354</u>	NBC Universal	Bohrer, Jack	1/22/2014	Documents related to the below Project Worksheet applied for by the Port Authority of New York and New Jersey, with dates ranging from 11/01/2012 to present: Declaration: FEMA 4086 DR NJ Project Number: NJMTE03 Federal Identification Processing System: 000-U6L13-00.
(b)(6) <u>2014-FEFO-00356</u>	MuckRock News		1/22/2014	A copy of any emails in the Federal Emergency Management Agency FOIA Office that contain the word [REDACTED]. The scope of this request is emails retrieved from an electronic search or searches of computers or email computer systems used by the FOIA Office. Primary timeframe: January 20, 2009 to the present.
<u>2014-FEFO-00379</u>	Goldman Antonetti & Cordova, LLC	Passerieu, Thais	1/22/2014	Official or certified copies of the following documents: 1) FEMA release of August 22, 2011, Release Number HQ-11-131: President Declares Emergency for Puerto Rico. 2) FEMA release of August 24, 2011, Release Number 3326-002: FEMA Emergency Funds Authorized. 3) FEMA Press Release of August 27, 2011, Release Number HQ-11-153: President declares Major disaster for Puerto Rico. 4) FEMA release of August 27, 2011, Release Number HQ-11-153: Factsheet: Federal Aid Programs for Puerto Rico Disaster Recovery. 5) FEMA release of September 3, 2011, Release Number 4017-007: Municipalities Added to Puerto Rico Disaster Declaration for Hurricane Irene. 6) FEMA release of September 13, 2011, Release Number 4017-014: More Municipalities Added to Puerto Rico Disaster Declaration for Hurricane Irene. 7) FEMA release of September 28, 2011, Release Number 4017-028: Six Municipalities Added to Puerto Rico Disaster Declaration for Hurricane Irene. 8) FEMA declaration FEMA-4017-DR of August 27, 2011: Preliminary Damage Assessment (document includes a Summary of Damage Assessment Used in Determining Whether to Declare a Major Disaster.)
<u>2014-FEFO-00385</u>	-	Pope, William	1/22/2014	Specific Grant Information: Applicant Name: Uintah City Fire Department (William Pope) Submitted to: FEMA (AFG SAFER Grant) - 2013 Submitted on: 08/26/2014 Application Number: EMW-2013-FF-00089.
<u>2014-FEFO-00357</u>	Inst. for Policy Integrity, NY Univ. School of Law	Stahl, Valerie	1/23/2014	Policy level data on the purchase of coverage and claims under the NFIP covering the entire country from 2000 to the most recent available data. Specifically, seeks a database report of transaction level data pertaining to the following four categories of information: (1) Policy Transactions; (2) Claims Transactions; (3) Recovery Transactions; and (4) Special Expense Transactions. Request this data be provided by indicating the Zip Code plus 4 (nine digit Zip Code) of the address, rather than entire address of relevant properties. Also request the longitude and latitude of relevant properties. [Indicates that most GIS programs output decimal degrees (as opposed to degree, minute, second form) and a latitude-longitude with two decimal points is accurate to 1.1 km. At three decimals it's 111m. Properties identified by either two or three decimals would be useful for proposed analysis without posing the risk of specifically identifying properties, to the extent that is a concern.]
<u>2014-FEFO-00358</u>	-	Kelly, Lawrence	1/23/2014	Documents relating to inspections of properties by federal employees, agents, etc., of properties with addresses on Cedar Bay Court (a cul-de-sac in Bayport New York) for flooding exposure, flooding damage arising from Superstorm Sandy exposure. Expects reports were completed and/or filed in 2012 and/or 2013. Also requests documents identifying the inspector used for such tasks, and any training received by the inspector or inspectors in inspecting for water damage to property.
<u>2014-FEFO-00359</u>	Morrison+Tenenbaum	Tenenbaum, Jerald	1/23/2014	Damage assessments and/or reports from October 2012 to the present related to damages caused by Hurricane Sandy, which occurred on or around October 29, 2012, to Manhattan River Group, LLC d/b/a La Marina, located at 348 Dyckman St., New York, NY 10034.
<u>2014-FEFO-00360</u>	Newsday	Herbert, Keith	1/23/2014	Public Assistance grants for the states of New York, New Jersey, Connecticut, Rhode Island and Massachusetts. This request includes but is not limited to data fields for the following: applicant name, applicant title, period of performance start, period of performance end, date awarded; project number; id number, date, category, county, location with latitude and longitude, damage description and dimensions, scope of work, item, cost code, narrative, quantity/unit, unit price, cost, cost total, applicant representative and project specialist. Requests, at a minimum, all fields listed on the sub grant applications agency already has. Requests any supporting documents linked to the project worksheets, like PDFs, photos, contracts, invoices, permits, FEMA forms or supporting documents. Timeframe: October 29, 2012 to the date that the information is collected. Also requests a record layout for the database tables and a key to any coding used.
<u>2014-FEFO-00361</u>	Florida Office of Insurance Regulation	Miller, Belinda	1/24/2014	Records relating to the National Flood Insurance Program. Specifically, In-force premium and policy counts by zone for Florida. For all zones, the relative rate by zone before the averaging is done in the ratemaking process. Requests the information separately for personal and commercial lines, if available.

<u>2014-FEFO-00362</u>	-	Grote, Dylan	1/24/2014	Individual observations of policies in-force OR historical data that should provide: Limits of insurance, Risk-zone, the price of the policy and whether it is subsidized or unsubsidized. [The goal is to analyze how certain regions or communities are benefitting (or not) by receiving a transfer-payment in the form of a subsidized policy.]

<a href="#">2014-FEFO-00452</a>	The Black Vault	Greenwald, John	2/24/2014	FOIA Case Log for 2013.
<a href="#">2014-FEFO-00453</a>	-	Smith, James	2/24/2014	Communications and information from the December 2012 to December 2013 timeframe relating to the termination action by HQ FEMA against the former CDP Superintendent in May 2013 (at the six-month mark of the one-year SES probationary period without sufficient or supporting documentation of the SES Performance Appraisal System for termination based on email communications with Mr. Forrest McConnell, a staff member of Congressman Rogers, AL and which were of a similar nature of other FEMA officials that were routinely executed with U.S. Senate and House of Representative members; and finally for the undue influence and interference of members of Legislative Branch officials (Congressman Rogers and his staff members) upon and against FEMA and DHS SES and GS-level officials (and members of the of the Executive Branch) that caused them to execute an unjust and harmful termination action against the Plaintiff during the one-year SES probationary period. Therefore, the following FOIA information is requested as detailed in subsequent paragraphs: a. Written correspondence; emails; and/or face-to-face meetings between any and all DHS, FEMA and CDP HQs officials with U.S. Congressman Mike Rogers, AL and his staff members, specifically Mr. Chris Brinson of the Washington D.C office and from staff members in the Anniston, AL office. b. Specific focus is for communications with members of the legislative branch to include Mr. Rogers, Mr. Brinson and his staff; and of communications relating to the termination action of the CDP Superintendent by several of FEMA SES leadership and GS-15 officials: Mr. Andrew White, Dr. Keith Holtermann, Mr. Corey Gruber, Mr. Timothy Manning, Mr. Craig Fugate and Mr. Brad Kieserman.
<a href="#">2014-FEFO-00454</a>	-	Gay, Barrett	2/24/2014	All DHS-OIG and FEMA Internal Investigations from a fraud, waste and abuse and/or mismanagement complaint against the Federal Protective Service (FPS) for A "Hurricane Gustav" ESF mission in late August and Early September 2008 (FY'08): spanning locations from Biloxi, MS. Maxwell Air Force Base and Ocean Springs, MS. This complaint was filed by AFGE on behalf of FPS union employees who were forced into shared living accommodations to save money because FPS had deployed without an authorization number from FEMA.

<u>2014-FEFO-00507</u>	Carlton Fields Jordan Burt	Ovelmen, Richard	2/24/2014	For each structure insured by the National Flood Insurance Program (NFIP) in the past 24 months, following information and data, which FEMA appears to collect in completed NFIP Applications: a) Information and data regarding whether the insured structure had continuous coverage if it was grandfathered into the NFIP. b) If the insured structure is not a single-family structure, information and data regarding the number of occupancies (units) in the structure. c) Information and data regarding whether the structure is walled and roofed. d) Information and data regarding the use of the insured structure. For example, whether the structure is used as the main house, a detached guest house, a detached garage, an agricultural building, a pool house/clubhouse/recreation building, a tool/storage shed, or another type of structure. e) Information and data regarding how many feet above/below the lowest ground grade immediately next to the structure the lowest floor of the insured structure is. f) Information and data regarding how many feet above/below the lowest ground grade immediately next to the structure the garage floor of the insured structure is. g) Information and data regarding how many feet above/below the lowest floor any machine or equipment located at a lower level than the lowest floor is. h) Information and data regarding whether the basement/subgrade crawlspace floor is below grade on all sides. i) Information and data regarding whether the basement/subgrade crawlspace contains machinery or equipment. If so, does the basement/subgrade crawlspace contain a furnace, hot water heater, elevator equipment, heat pump, fuel tank, washer and dryer, air conditioner, cistern, food freezer, and/or any other equipment or machinery servicing the building. j) Information and data regarding whether the insured structure has an attached or detached garage, the total square footage of the garage, whether the garage has any openings (excluding doors) designed to allow flood water to pass through, how many permanent openings (flood vents) the garage has within one (1) foot above the adjacent grade, the total square inches of all permanent openings (flood vents), whether the garage is used solely for parking vehicles, building access, and/or storage, whether the garage contains machinery and what type of machinery, and whether the garage has more than 20 linear feet of finished wall, paneling, etc. k) If the insured structure is an elevated building with an enclosed elevated floor, information and data regarding whether the enclosed area/crawl space is constructed with openings (excluding doors) to allow floodwaters to pass through, the number of permanent openings (flood vents) within 1 foot above adjacent grade, the total square inches of all permanent openings (flood vents), whether the enclosed area/crawlspace is used for any purpose other than solely for parking of vehicles, building access, or storage, and whether the enclosed area/crawl space has more than 20 linear feet of finished wall, paneling, etc. l) If the insured structure is a manufactured (mobile) home/ travel trailer, information regarding the manufacturing data of the mobile home, including the make, year of manufacture, model number, serial number, and dimensions of the structure. m) If the insured structure is a manufactured (mobile) home/ travel trailer, information and data regarding whether the mobile home contains any permanent extensions and if so, the dimensions of the permanent extensions. n) If the insured structure is a mobile home, info. regard.

2014-FEFO-00508	Carlton Fields Jordan Burt	Ovelmen, Richard	2/24/2014	For each structure insured by the National Flood Insurance Program (NFIP) in the past 24 months, the following information and data, which FEMA appears to collect in completed NFIP Applications: a) Information and data regarding what program type covers the structure (Regular or Emergency). b) Information and data regarding whether the structure is owned in condo form, and if so, whether the condo coverage is per unit or for the entire building. c) Information and data regarding the estimated replacement cost amount for the structure. d) Information and data regarding whether the structure is in the course of construction. e) Information and data regarding whether the structure is over water. f) Information and data regarding whether the structure is elevated and the area below is free of obstruction or with obstruction. g) If the insured structure is a mobile home park, information and data regarding the construction date of the park. h) If the insured structure is a mobile home, information and data regarding the date of permanent placement of the mobile home. i) Information and data regarding whether the Base Flood Elevation (BFE) includes effects of Wave action. j) Information and data regarding whether the structure is flood proofed. k) Information and data regarding the insured structures source of potential flooding. For example, is the source of potential flooding an ocean, a lake, a river/stream, or another potential source of flooding. l) If the insured structure is an elevated building, information and data regarding the elevating foundation of the building. For example, whether the elevating foundation constitute piers, posts, or piles, reinforced masonry piers or concrete piers or columns, reinforced concrete shear walls, and/or solid perimeter walls. m) If the insured structure is an elevated building, information and data regarding whether the area below the elevated floor contains machinery or equipment. For example, does the area below the elevated floor contain a furnace, hot water heater, elevator equipment, heat pump, fuel tank, washer and dryer, air conditioner, cistern, food freezer, and/or any other equipment or machinery servicing the building? n) If the insured structure is an elevated building, information and data regarding whether the area below the elevated floor is fully or partially enclosed, the square footage of the enclosed area if enclosed, and whether the area below the elevated floor is enclosed with breakaway walls, solid wood frame walls, masonry walls, and/or any other materials other than insect screening or light wood lattice.
2014-FEFO-00509	Carlton Fields Jordan Burt	Ovelmen, Richard	2/24/2014	For each structure insured by the National Flood Insurance Program (NFIP) in the past 24 months, request the following information and data, which FEMA appears to collect in completed NFIP Applications: a) Information and data regarding whether the insured structure was grandfathered into the NFIP. b) Information and data regarding the building occupancy. For example, whether the structure is a single-family, 2-4 family, other residential, or non-residential structure. c) Information and data regarding whether the structure has a finished basement/enclosure, an unfinished basement/enclosure, a crawlspace, and/or a subgrade crawlspace. d) Information and data showing the number of floors in the structure or the building type. For example, whether the structure has 1, 2, or 3+ floors or is a split structure, townhouse, or mobile home. e) Information and data regarding whether the structure is the insureds personal residence. f) Information and data regarding the contents located in the basement/enclosure, basement/enclosure and above, lowest floor only above ground level, lowest floor only above ground level and higher, above ground level more than one floor, and/or manufactured (mobile) home. g) Information and data regarding the date of construction (if applicable). h) Information and data regarding whether there is a substantial improvement date, and if so, what the substantial improvement date was. i) Information and data regarding whether the structure is post-FIRM construction. If the structure is post-FIRM construction, what is the construction zone? If the structure is pre-FIRM construction, is it elevation rated. j) Information and data regarding what the Lowest Adjacent Grade of the structure is. k) Information and data regarding the Building and Contents deductible(s). l) Information and data regarding the approximate distance and site location of the nearest shoreline for all structure types. m) Tie down information if the structure is a manufactured (mobile) home/ travel trailer.
2014-FEFO-00510	Carlton Fields Jordan Burt	Ovelmen, Richard	2/24/2014	For each structure insured by the National Flood Insurance Program (NFIP) in the past 24 months, request the following information and data, which FEMA appears to collect in completed NFIP Applications: Information and data pertaining to the location and address of the structure, the elevation of the property on which the structure is situated, the Firm Zone of the structure, the Lowest Floor Elevation of the structure, the Base Flood Elevation (BFE) of the structure, and the Building and Contents Amount of Insurance (AOI) and rates for Basic and Additional Limits for the structure. Also interested in loss detail related to these structures and request information and data regarding estimated replacement cost, actual cash value, and flood loss for each insured structure.

<u>2014-FEFO-00620</u>	Office of General Counsel City Jacksonville FL	Teodorescu, Adina	4/19/2014	The City of Jackson, Florida is requesting records to Department of Homeland Security (DHS); 1. All communication between DHS and the U.S. Department of Justice, from January 2010 to the present, concerning the Jacksonville Fire and Rescue Department ("JFRD"). All documents attached to such communications. All records referencing, or relying on, such communications. 2. All communications between DHS and the Equal Employment Opportunity Commission (EEOC), from January 2010 to the present, concerning JFRD. All documents attached to such communications. All records referencing, or relying on, such communications. 3. All communications referenced in the following paragraph, taken from a letter sent to the Office of General Counsel, City of Jacksonville, by Megan H. Mack, Officer for Civil Rights and Civil Liberties, DHS, on March 19, 2014: It has come to the attention of Department that a number of complaints and allegations of illegal discrimination have been made against JFRD regarding both its hiring and promotion practices. The U.S. Department of Justices has informed the DHS Office for Civil Rights and Civil Liberties (CRCL) of ongoing litigation against JFRD with respect to its promotion practices. The Department has further learned that, as recently as 2013, JFRD became the subject of yet another federal civil action, this time challenging its hiring practices. All documents attached to such communications. All records referencing, or relying on, such communications. 4. All records alleging that JFRD engaged in any discriminatory conduct from January 2010 to present. 5. All records to DHS's review and approval of JFRD's application for a SAFER grant. 6. All records related to DHS's decision to initiate a civil right compliance review of JFRD in March 2014. 7. All records establishing DHS's policies, procedures, and criteria for reviewing and approving applications for federal financial assistance. 8. All records establishing DHS's policies, procedures, and criteria for determining whether applicants for, and recipients of, federal financial assistance are complying with the requirements of award. 9. All records establishing DHS's policies, procedures, and criteria for determining which recipients of federal financial assistance should be subjected to compliance reviews. 10. All records establishing DHS's policies and procedures for conducting compliance reviews.

<a href="#">2014-FEFO-00839</a>	The Associated Press	Kunzelman, Michael	7/21/2014	Requester would like record related to the Federal Emergency Management Agency's efforts to recoup disaster assistance funding that it provided to individuals following Hurricane Sandy in 2012. As of June 2014, FEMA has sent approximately 560 notice of debt letters to individuals who received Sandy-related disaster assistance. Approximately 3,700 other cases remain under review for possible recoupment. FEMA maintains databases containing information used to track evaluate and provide benefits to individual disaster assistance applicants. Please provide me with the portion of those database records containing the following fields of information for each individual who is currently under review for possible recoupment or already has been found ineligible for some or all of the Hurricane Sandy-related assistance that FEMA provided them through its Individuals and Households Program or any other source of funding: 1. Applicants language 2. Applicants immigration status 3. Applicants date of birth 4. Applicants FEMA Application Number 5. State where applicants damaged residence (or other damaged property) was located 6. County where applicants damaged residence (or other damaged property) was located 7. City where applicants damaged residence (or other damaged property) was located 8. Zip code where applicants damaged residence (or other damaged property) was located 9. Type of residence occupied by applicant (travel trailer/mobile home/(home-single/duplex)/apartment/(condo/town house)/other) 10. Was the applicants damaged property his/her primary residence? 11. Did the applicant own or rent the damaged residence? 12. Number of occupants who lived in applicants residence 13. Number of claimed dependents that lived in applicants residence 14. Applicants combined family pre-disaster gross income by period. Please specify whether the applicant reported this dollar amount on a weekly, bi-weekly, semi-monthly, quarterly or yearly basis. 15. Location of applicants post-disaster mailing address (including the state, county, city and zip code) 16. Total amount of assistance provided to applicant 17. Type of assistance received (temporary housing/home repair or replacement/personal property repair or replacement/transportation repair or replacement/medical expenses/funeral costs/moving and storage expenses/other). If an applicant received more than one type of assistance, please specify the amount of funds provided for each type. 18. Date listed on any recoupment letter or notice of debt that FEMA sent to applicant 19. Total amount of debt identified by FEMA 20. The type (or types) of assistance that FEMA is trying to recoup from each recipient. If there are multiple types of assistance, please specify the amount of debt for each type. 21. The reason (or reasons) that FEMA has cited for deciding that an award must be repaid in full or in part (i.e., duplication of benefits with insurance settlement proceeds). 22. Has the recoupment letter sent to the applicant been returned to FEMA as undeliverable? 23. Has the applicant appealed FEMA's decision? 24. Date of appeal 25. What is the status of the appeal? Was the appeal granted in part or in full, rejected or is it still pending 26. Has the applicant repaid any portion of the debt? If so, in what amount and
