Wyles	Mound, Cotton, Wollan & Greengrass	11/30/2009	Requesting copies of or access to all recorded communications, letters, emails, files, memos, records, applications, compilations, invoices, databases, or writings or recordings of any kind ("Documents") concerning the Port Authority of New York and New Jersey's Federal Emergency Management Agency/Dept. of Homeland Security ("FEMA") assistance arising out of the property damage it sustained as a result of the September 11, 2001 terrorist attack ("9/11").
10-140	Randy Gunter	Fielder & Gunter Attorneys at Law	12/4/2009	Requesting: 1. All correspondence, whether by mail, electronic mail, facsimile, or other method of communication, that mentions, addresses, considers, or otherwise deals with the City of Dayton from or to any party in any matter related to Hurricane Ike not limited to, but including any communication regarding payment and/or reimbursement sought for debris removal within the City of Dayton. This request includes all paperwork relating to FEMA's dealings with the City of Dayton from one week before Hurricane Ike struck the Texas Gulf Coast until the date of this request. This request includes both internal communications of FEMA or other Federal agencies, as well as communications with representatives of the City of Dayton; 2. All complaints or concerns received by FEMA or any other governmental agency from (b)(7)(c), or person within the last ten years regarding the job performance of (b)(7)(c) a FEMA representative assigned to work with the City of Dayton in regard ing of paperwork for payment and or reimbursement for debris removal for the City, and including but not limited to any complaints regarding the amount or method of reimbursement to the governmental entity. All complaints or concerns received by FEMA or any other governmental agency regarding any other employee or contractor of FEMA or any other governmental agency for all federal employees or contractors who worked on the Hurricane Ike reimbursement requested by the City of Dayton, whether that work was field work, office work, or other work; (b)(7)(c) documents identifying cities or other governmental subdivisions for which (b)(7)(c) performed any services on behalf of FEMA; and 4. Documents identifying any city or other governmental unit in the United States whose debris removal quantities were determined by measuring a debris area after the debris was unloaded. Furthermore, we request documents that show the length of time between the depositing of the debris in the debris area and the time the measurements were taken, if any. In addition, we request documents identifying cities or other political subdivisions for which any alternative method of calculating debris removed was employed. By alternative method, we seek to receive documents identifying cities who were subjected to any method of calculating debris removed other than the prescribed method of tickets issued at the debris site as trucks enter the area where debris will be deposited, and payment based on those tickets.

10-716	Rev. Davie Tucker Jr. and Carla Tucker		8/25/2010	<p>Seeking information regarding FEMA's policies and procedures for the provision of individual assistance grants (including grants for temporary housing, housing repair or replacement, other than housing needs, and hazard mitigation) following President Obama's May 4, 2010 declaration of a major disaster in the State of Tennessee. Specifically, we request the following:</p> <ol style="list-style-type: none"> 1. All documents reflecting or referring to FEMA's policies, procedures, guidelines, algorithms, methodologies and/or criteria for determining applicants' eligibility to receive FEMA individual assistance grants and the type of assistance applicants may receive; 2. All documents reflecting or referring to FEMA's policies, procedures, guidelines, algorithms, methodologies and/or criteria for determining the amount of individual assistance for which an applicant is eligible to receive; and, 3. All documents reflecting or referring to FEMA's policies, procedures, guidelines, algorithms, methodologies and/or criteria for reviewing appeals of FEMA individual assistance determinations, including but not limited to appeals of the amount of assistance for which an individual is determined to be eligible. <p>In addition to the foregoing requests specific to the May 2010 flooding disaster in Tennessee, the Center respectfully requests the following information which is not limited to the Tennessee disaster, but which covers FEMA's administration of individual assistance grant programs in other disaster areas and at other times, as well:</p> <ol style="list-style-type: none"> 4. All studies, reports and/or audits evaluating FEMA's policies, procedures, guidelines, algorithms, methodologies, criteria and/or actual practices used in determining applicants' eligibility to receive FEMA individual assistance grants and the amount or type of assistance applicants to be awarded to applicants. This request specifically includes, but is not limited to: <ol style="list-style-type: none"> a. Demographic analyses of the applicants and recipients of such grants; b. Analyses of the distribution of grants by race, ethnicity, income, home ownership or tenant status, and/or value of home; and/or c. The racial impact, if any, of FEMA individual assistance grants. 5. All documents reflecting or referring to the disparate racial impact, if any, of FEMA hazard mitigation efforts that result in the permanent relocation of disaster victims, as contrasted with FEMA hazard mitigation efforts that enable disaster victims to remain in or return to the homes in which they lived at the time of the disaster.
