

THE DIRECTORATE

FUTURES ASSESSMENT

**EXPEDITIONARY FORCE
DEVELOPMENT**

**MARINE CORPS
WARFIGHTING LABORATORY**

The lab explores and assesses Marine Corps service concepts through a combination of wargaming, concept-based experimentation, and technology assessments and analysis.

The Warfighting Laboratory, along with Futures Assessment and Emergent Force Development make up the Marine Corps' Futures Directorate.

Under the Deputy Commandant for Concept Development and Integration, the Futures Directorate plays a critical role in future force development.
