13220 08/16/2011 JENNIFER LYNCH ELECTRONIC FRONTIER FOUNDATION

all agency records created on or after January 1,2006 (including, but not limited to, electronic records) discussing, concerning, or reflecting:

1. any problems, obstacles or limitations that hamper the FBI's current ability to conduct surveillance on communications systems or networks including, but not limited to, encrypted services like Blackbeny (RIM), social networking sites like Facebook, peer-to-peer messaging services or Voice over Internet Protocol (VoIP) services like Skype, etc.;

2. any communications or discussions with the operators of communications systems or networks (including, but not limited to, those providing encrypted communications, social networking, and peer-to-peer messaging services), or with equipment manufacturers and vendors, concerning technical difficulties the FBI has encountered in conducting authorized electronic surveillance;

3.any communications or discussions concerning technical difficulties the FBI has encountered in obtaining assistance from non-U.S.-based operators of communications systems or networks, or with equipment manufacturers and vendors in the conduct of authorized electronic surveillance;

4. any communications or discussions with the operators of communications systems or networks, or with equipment manufacturers and vendors, concerning development and needs related to electronic communications surveillance enabling technology;

any and all statistics within the last 22 years relating to the removal of, and/or initiation of removal proceeding against, non citizens based on "misdemeanor" convictions (where "misdemeanor" means either an offense classified as misdemeanors by the jurisdiction in which the conviction occurred or an offense that meets the federal definition of misdemeanor).

Any and all statistical information that exists as to the overall number, or relative percentage, of non citizens with pending or completed removal charges who were underrepresented by counsel in the criminal proceedings that gave rise to their convictions.

Any statistical breakdown of this information by type of offense - e.g. drug-related offense, theft offense, etc. Any materials related to policies, actual or proposed, or policy discussion concerning the removal of individuals with misdemeanor convictions, particularly those entered in jurisdictions that did not provide the non citizen with criminal defense representations

all agency records (including, but not limited to electronic records) created from 2008 to the present discussing, concerning, or reflecting ICE's plans to collect, sample, analyze and store DNA, including:

Records documenting or discussing contexts in which ICE currently collects or plans to collect DNA from "non-United States persons who are detained under the authority of the United States;"

Records documenting or discussion issues or potential problems related to collecting DNA from non-United States persons and/or plans to address those issues;

Records documenting uses, capabilities, performance and limitations of the DNA analyzer discussed above and in the nextgov.com article, or other DNA collection tools, including information on any contexts in which they have been used;

Any and all communications with other agencies, including but not limited to FBI and Department of Justice, regarding DNA collection, storage, and/or sharing;

Any and all communications with Congress concerning ICE's current or planned DNA collection, storage and sharing;
